Quarter 2: Show What You Know

Our return to school was extremely smooth and was welcomed by both staff and students. Now that we have settled back in it is time for all students to make Quarter 2 an even greater academic success than Quarter 1. How?

1. **Do homework nightly** – don't allow it to pile up until January. If you are not getting homework then re-read the days notes, re-watch videos or simply explain what you learned to your family.
2. **Ask Questions** – if something does not make sense to you, odds are great that someone else is confused too! Raise your hands, message your teacher on TEAMS or come back for lunch time help.
3. **Get organised with a calendar or your calendar app** – spend time putting your assignments, tests, and project deadlines on a calendar alongside your extra-curricular commitments – if you spot a busy period coming up – work ahead or negotiate ahead of time with your teachers to lighten the load.

Building Back the Spirit

SRC has quite a few things planned over the coming 6 weeks to keep our spirits up.

1. School Wide Elimination Game – Sticky-Note Assassins! Starts Monday!
2. Jersey Day on Friday Nov 26 (see Ad on page 3)
3. Homeroom Competition – Menstrual Product Drive (November 22-26)
4. Homeroom Competition – Holiday Door Decorating (December)
5. 12 Days of Winter Holidays (Dec 8-23) – many activities, theme days, BINGO and more!

Supporting Your Students @Home

Communication with teachers via e-mail and TEAMS chat

We have been seeing an increase in student – teacher communication via electronic means which is a huge positive for everyone. With every advance in education comes growing pains. How students address their teachers through electronic means should match how they address them in person. Here are some tips.

1. Open with a greeting: Hello Mr. Peters or Good morning Mr. Peters
2. Spend a moment considering word choice:
 - a. Why did I get an INC? vs I was curious about why I received an INC on my report card. Could we meet to discuss?
 - b. I handed in my essay today – the mark isn't on PowerSchool. Vs I know I handed my essay in late and I realise that you are busy. If there is anyway to mark it soon, I would appreciate it as I cannot have my cell phone back until the mark is on PowerSchool. I will work hard not to have this happen again!

Reminders and Celebrations

- **GREASE: THE MUSICAL** – Will be staged nightly at 7:30pm Monday Dec 13 – Wednesday Dec 15 with a student matinee on Wednesday Dec 15. Ticket sales begin this week for cast members only and remaining tickets will be sold next week. Audience members must be fully vaccinated and masked during the show.
- **Cafeteria Closure:** On Monday Nov 29 – Wednesday Dec 15 we will close the cafeteria for use as we prepare for GREASE. Classrooms around the school will be open for lunch to compensate for the loss of seating.
- **SPORTS Round Up** (This week's schedule is on Page 4)
 - a. Varsity Girls Basketball finished 2nd in their tournament in Miramichi this weekend. Pictures to follow on social media.
 - b. Varsity Boys Basketball finished 5th this weekend at the Bernice McNaughton Tournament.
 - c. Girls Hockey were having a successful tournament in Sackville – playing KVHS in the semi finals at our last update. They also had a winning week with wins against SJHS and KVHS.
 - d. Boys Hockey had a rough week with two losses to KVHS and a loss last night to Sussex 9-8.
 - e. The Swim Team ended last week's competition with 13 Personal bests and are on track for a successful regional competition.
- **Student Drop off** – Please note that the student drop off at the gym is also the staff parking lot and it is important to slow down and be patient and you make your way through the turn around.
