Communicating about Life @ RHS

Parents receive a significant amount of communication from the school, and it can feel overwhelming at times. Here is a chart to help you navigate who you will hear from, how they will provide information and when you should reach out to them.

Who?	How?	When?	Why?
Subject Teachers	Via Parent Portal (PowerSchool) [Contact the Main Office if you are having trouble logging in.]	For learning and grades. *If you see INC (Incomplete) as it indicates that work is missing, and credit is in jeopardy.	Students are encouraged to be the primary contact with teachers. Families are asked to reach out after the student has attempted to get their questions answered and clarification is required.
Homeroom Teachers	Via E-mail or phone	*When your student misses 5 classes *When paperwork is missing.	HR Teachers are your students advocate within the walls of the school. Reach out to them with questions or concerns about anything outside academic concerns.
Guidance Counsellor	Via Phone	*Career Counselling *Social-Emotional Concerns	If you have a specific concern about your student's well-being please reach out.
Main Office	Via Auto-Dialer or Phone	*Daily for absences *Newsletters	Please call 847 6204 when you student is going to miss school.

Supporting Your Students @Home

A REPEAT FROM LAST WEEK – We really need your help with the following.

- Students must have their **cellphones** away during class time until the teacher allows their use. You can support this is by not texting or calling your students during class/school hours. Please try to reach them as much as possible between 12:25pm and 1:25pm (Lunch)
- Please call the school on 847-6204 if your student is going to **miss school** for illness (IL) medical appointments (MA) or if you are excusing their absence (OI) – this will allow us to focus on those students who are missing without good reason (Unexcused Absence – UA)
- **Two Symptoms = Stay Home** – If your student has two or more symptoms they must stay home, and it is recommended that they get tested for COVID-19. Please call to advise us if this is the reason for the absence.
- **Masks over the nose and mouth.** We are no longer giving warnings for inappropriate mask wearing. We will have to send students home for the day if they refuse to wear their masks properly.

Graduates may sign up in the Main Office for their Graduation Photos (Cap & Gown) this week. The photos will be taken the last week of October (26-28)

Advice from Photography Flewwelling for your graduation photos:

If you are wearing a suit on graduation day:

- Wear a white shirt and a tie (a tie in your school colours looks best). The studio has a white shirt and ties for you to borrow, if necessary.

If you are wearing a dress on graduation day:

- Wear a vee-neck top that will not show under the gown.

Advice for all:

- A small necklace will look fine, but heavy jewellery would be a distraction.
- If you normally wear make-up, consider using a little more than usual, but do not overdo it. If you never wear make-up, you might consider wearing it on photo day. A cosmetics specialist at a drug store would be happy to teach you the basics.
- Photography Flewwelling has the graduation gown for your photo.
- Some students like to have one shot taken with a prop such as a musical instrument or some other cherished item.
- Do not make a drastic change to your appearance in the days leading up to your appointment. Even a fresh haircut might not look the way you intend, so you might think about getting a haircut one to two weeks before your appointment.
- Minor blemishes will be re-touched at no cost; details regarding the cost of major re-touches will be provided on the envelope containing your proofs.
- Ordering instructions will be on the envelope containing your proofs.
- Relax and have fun!

Please note: While you are not obliged to buy any of the photos, we do ask that you get your photo taken as we use the photos for the following:
