

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

To ensure each school environment safely applies risk mitigation measures consistent with Public Health guidance and the *Occupational Health and Safety Act* and Regulations. All schools, and district offices, must develop a written COVID-19 Operational Plan to provide the safe environment needed for students and staff. Refer to the *Return to School, September 2020* document and its appendices for primary support for the requirements listed below. This completed document shall be submitted to Clare Tooley, clare.tooley@nbed.nb.ca for review by August 26th, 2020. It will then be signed off by Zoe Watson or John Macdonald and returned to the principal for implementation and distribution.

The following document is intended to provide a check list with spaces for each main topic area along with resources. This will help the plan owner, (school Principal), outline each school's Operational Plan. Communication plans must consider and include staff, students, parents/guardians, visiting community professionals, and public. The District Occupational Health and Safety Coordinator is expected to be the primary support for staff and students. School Joint Health and Safety Committees (JHSCs) should be considered integral to preparations and support for September operations and beyond.
