HOME OF THE RED HAWKS

UPDATES

Practice Evacuation Wednesday Dec. 14 - On Wednesday we will be **practicing** our evacuation plan. A real evacuation would occur when it is deemed unsafe to enter the building and we have to relocate the staff and students to an alternate location. Our location is the Lady of Perpetual Hope Church on Almon Lane. On Wednesday, we will be evacuating the building and walking the students to the church so they are aware of the procedure and location.

Practice Lockdown procedure Dec. 20 - We will also be practicing our lockdown procedure. In the event of an imminent threat within the building, it is important that we have a procedure in place to protect students and staff to the best of our ability. Our school's lockdown procedure is designed for the event that such a situation occurs. It is important that all students and staff members are aware of the signal which will be used to indicate that a lockdown is being undertaken as well as an understanding of how each of us is to respond in such cases.

This **practice** session will occur on December 20th.

My Blue Print Training in HR - On Dec. 14th, all students will be trained on My Blue Print. This is a career planning website that will be crucial to assist students when choosing their courses. For our current grade 9 students and the students to follow, their student profiles will also be a graduation requirement when they reach grade 12. Please remind your student to bring their device on Wednesday. This training will occur during homeroom and we will have an alternate schedule due to this event.

Cabaret—the winter dance is on Wednesday December 14th from 6:30—9:30pm. They will need to have their student ID. The tickets are on sale on Cashless schools for \$15. These must be purchased in advance.

A couple of notes regarding the dance:

School rules apply to any school event. Therefore, there is zero tolerance for any use or possession of drugs/alcohol. Police will be on site to assist with chaperoning. It is advised that bags be left at home but if they are brought to school they could be searched upon entry.

Holiday Dinner Volunteers— on December 21st, we will be having a full school holiday dinner during Homeroom for students and staff. We are hoping for parent volunteers to make this happen. If you are willing to share some holiday spirit with us and help serve, please email Beverlee.macdonald@nbed.nb.ca.

Unit Pricing Project/Fundraiser for Food bank— (See flyer below) on December 16th our grade 10 students will be going to Sobeys work on Math project centered on “unit pricing”. They will be completing curricular outcomes while shopping for our local food bank. Once their project is complete, the food will be donated. The school has received a \$1000 grant to help support this initiative but we are hoping to match this grant with donations. If you are willing to donate to this project you can either give the money to your grade 10 student or contact the school.

PSSC — STAFF APPRECIATION

10 Days of Christmas for the RHS Staff

We are organizing the annual staff appreciation tradition once again this year where we surprise the staff each morning with a themed set-up in the staff room in the days leading up to Christmas. It will begin Monday, Dec. 12 and run until Friday, Dec. 23. There are 57 staff members so if you can contribute something with this amount (or half and can share the contribution with another family) we would appreciate it! The themed days for this year are listed below. We would gladly accept raffle items as well!

- Coffee & Donut Day
- Christmas Sock Day
- Chocolate & Coffee Pod Day
- Fruit & Water Day
- Toothbrushes/paste & Gum Day
- Coffee & Cookie Day
- Punch & Cheese/Cracker Platter Day
- Christmas Candy Buffet Day
- Bubbly & Chips Day
- Christmas Office Supplies & Candy Cane Day

If you are able to contribute, please contact Liz Tait by email

liz.tait@oakvillelanedental.com

Thanks!

RHS FOOD BASKET FUNDRAISER

-written by Rebecca Burdick

At Rothesay High School, we are committed to creating a positive environment for all who enter the building. **Part of our school improvement plan for 2022-2023 is centered around community and empathy.** So, due to the increase in demand of supply (an average of **25% increase** in the last six months), the **Grade 10 Math classes have decided to reach out to the Kennebecasis Valley Food Basket** during this holiday season.

We are going to use our mathematical knowledge of unit pricing to purchase the greatest amount of quality food for this non-profit organization. As 145 Grade Ten students, we will be representing Rothesay High School at Sobeys and the Kennebecasis Valley Food Basket on the morning of December 16th.

We already have been given a **\$1000.00 grant** from the school district for this project and **intend to double this amount** over the next couple of weeks.

Here's our ask:

-**donations** to be given to your **current Math teacher** from December 1st to 14th

-**we challenge all Math classes to raise between 50 and 100 dollars for this worthy cause.**

Remember the more money we can raise as a school, the more families we can benefit over the holiday season.

Let's go Rothesay High!

**IF YOU WISH TO DONATE
TO THIS CAUSE, IT IS
LISTED IN CASHLESS
SCHOOLS!**
