

## **All Inclusive Student Fee 2023-2024**

This year we will once again have an **All-Inclusive Student Fee**, which will eliminate the need for families to shop for Back-to-School items. The only items families will be required to purchase are a set of inexpensive ear buds, indoor sneakers, a backpack, and a lunch bag. The fee is \*\$70 per student and includes all school supplies, performances, and grade level activities (skating at K-2, swimming at grade 3, tennis for grade 4, and golf for our grade 5 students). As a school community, we support charities four times throughout the school year. No more than a Toonie is suggested per event and all charitable fundraisers are optional for families.

\*Please note the fee is increasing this year due to the increase in cost of almost everything, including school supplies. Pre-Covid the yearly fee was \$55 per student and was reduced for the 2022-2023 school year only as classes did not have the opportunity to participate in their health and wellness activities (skating, swimming, tennis or golf) nor enjoy school wide performances because of social distancing. Our new fee aligns with that of other elementary schools in the Kennebecasis Valley that do not require families to purchase school supplies. Some have all inclusive fees like us, where others have two separate fees- a school supply fee and an additional school fee.

Families who have three or more children at F.E.S. will pay the full price of \$70 for the first two and a flat rate of \$25 for each additional child.

The All-Inclusive Student Fee will be available for payment on **School Cash Online from Monday, August 14th until Friday, September 29<sup>th</sup>**. A payment plan option can be arranged for any family who requires it.
