- The **NB Family Wellness Survey** (which I, in error, referred to as the NB Student Wellness Survey in my last message) is being sent back to Fredericton on Monday morning. Please send in your completed survey (which came home in a brown envelope) Monday morning if you have not already done so.

F.E.S. Family Connections

December 5th-9th

Vision: F.E.S students will be passionate life-long learners who contribute as responsible leaders in the global community.

-Please drop by our second annual "**Stop and Shop**" tonight between 5:30 -8:30 or tomorrow morning between 9-12. You will be able to do much holiday shopping at the various vendors.

-The deadline for ordering **FES school clothing has been extended until next Friday**. Hard copies of the order forms were sent home yesterday. Please fill out the paper order form with the specific choices, colours and any embroidery you may want. You can then send cash or cheque with the paper order to the school or you pay online at <http://fairvalehands.ca/fundraisers> using PayPal. The school clothing sizing set will be on display this evening and tomorrow morning during the Stop and Shop event. Orders will arrive before Christmas break.

- Please find attached the class visitation schedule for **Santa's Workshop**. Gifts will range in price from \$1-\$4.

-Thank you to those who ordered **Harvest produce packs**. The product will arrive next Friday, Dec. 9th with pick up from 4pm-6pm at the school.

-Lead by our "Me to We" team, our school will be helping those in our area who are less fortunate this holiday season. We will be collecting **new, unwrapped toys** as part of the Kennebecasis Valley Fire Department's toy drive and we will be collecting nonperishable **food items and toiletries** for the KV Food Basket. Items can be brought in until the morning of Wednesday, December 21st.

-**Congratulations to the float committee** for another job well done!! We were informed on Tuesday that we won the "**Best Youth/School**" float! The creativity of the committee continues to amaze me.

-We wish to thank **Bayview Credit Union** for supporting the Adopt a School program. Their generous donation of approximately \$4000 is covering the cost of the ELF program for one year at three elementary schools (including F.E.S.). This donation goes a long way in helping to provide high quality programming for the students, as well as training sessions and kits for the volunteers.
