Updates

- In honour of Remembrance Day, we are asking families to **send in pictures, preferably in black and white of individuals who have served or are serving our country.** We ask that you include the name of the person, rank and relation to student or staff member. Those who served or serve in the military as well as police officers and firefighters are welcome. If you prefer to send copies electronically, please send to Mme. Culligan at Connie.Culligan@nbed.nb.ca. We will use the photos as part of our Remembrance Day bulletin board. Please also consider **loaning artifacts, photographs or memorabilia** that will help us reflect, honour and remember. All items will be kept in our locked display cabinet in the main lobby. Students who participate in **Brownies, Sparks, Guides, Cubs, Boy Scouts, and/or Cadets are encouraged to wear their uniform** to our assembly. They will form an honour guard at the entrances to the gym.
- **November 4th-8th marks Canada Career Week!** In addition to daily career riddles and career exploration in the classroom, we have a number of exciting activities and events planned for this special week.

Monday, November 4th: Career Dress-Up Day! Students are invited to dress up in the clothing of their dream career.

What Can Families Do To Encourage Career Exploration?

The more children know about themselves, the easier it is for them to recognize career paths that align with their interests. Here are a few ideas to help you get started . . .

- Talk about your child's talents, interests and abilities at home.
- Discuss what you do at work, what you like the most/least, and how you acquired the knowledge and skills you need for work.
- Encourage your child to get involved in school and community activities.
