WELCOME FROM ADMINISTRATION

Fairvale Elementary is an excellent school with a wonderfully connected group of students, parents and staff. Together we all work towards making our school a great place to learn and be involved. We share in the responsibility of creating a welcoming and well-organized school that promotes high academic achievement, respectful behaviour, healthy living, and responsibility for our environment.

We continue to foster positive behavior through our programs including Living the 7 Habits, WITS, and "Zones of Regulation". Living the 7 Habits encourages our students to be responsible for themselves and to become strong citizens. The Zones is a systematic, cognitive behavior approach used to teach self-regulation by categorizing all the different ways we feel and states of alertness we experience into four concrete zones. The Zones curriculum provides strategies to teach students to become more aware of, and independent in controlling their emotions and impulses, managing their sensory needs, and improving their ability to problem solve conflicts. WITS is a program used to teach children to make safe and positive choices when faced with peer conflict. The WITS acronym is Walk away, Ignore, Talk it out, and Seek help. As you travel through our building and our playground you will see children living the 7 Habits and using the common language of the WITS and the Zone of Regulations. We feel very fortunate to be working with wonderful students who are interested in giving the best of themselves today, and creating a better world for tomorrow.

We trust you will take part in your children's education by inquiring about their time spent at school. Ask about their friends and teachers. Get involved as they complete their homework or seek to help on special projects. We are confident that your children will demonstrate greater motivation as you continue to show interest in their academic and social experiences.

Vision

- FES Students we will be passionate life-long learners who contribute as responsible leaders in a global community.
- Les élèves de FES seront des apprenants passionnés à vie qui contribueront comme leaders responsables dans une communauté mondiale.

Mission

- The FES community is dedicated to providing opportunities through best educational practices, for children to develop academically, socially, physically, and emotionally, reaching their fullest potential.
- Les membres de la communauté de FES visent à offrir des occasions à l'aide des meilleures pratiques pédagogiques pour que les enfants puissent se développer académiquement, socialement, physiquement, et émotionnellement tout en atteignant leur plein potentiel.

FAIRVALE ELEMENTARY SCHOOL IMPROVEMENT PLAN

- The action plan, measure of success, time line and responsibility information is with the complete School Improvement Plan on the school web page.

Ends Policy #1

All members of the Fairvale Elementary School community will work to improve school climate and maintain a positive learning environment.

Ends Policy #2

Students at FES will demonstrate continuous improvement in literacy skills, striving to meet or exceed the standards set by the Province of New Brunswick.

Ends Policy #3

Students at FES will demonstrate continuous improvement in numeracy skills, striving to meet or exceed the standards set by the Province of New Brunswick.

Ends Policy #4

To enhance family engagement and community partnerships.

Ends Policy #5

To provide opportunities for staff to learn about mental health issues in children and to promote school and district wide initiatives that promote mental fitness.

ACADEMIC PROGRAMS

Provincial curriculum dictates the concepts taught at each grade level. Curriculum outcomes are available to all parents through the school. If you have any questions or concerns regarding the academic expectations of your child, please speak to his/her teacher(s).

BICYCLES AT SCHOOL

A bicycle rack is available at our school. Students bringing bikes are expected to:

- Proceed immediately to the bike rack as soon as they arrive on school property.
- Secure their bicycles with security locks. The school cannot accept responsibility for loss or theft of, or damage to, bicycles.
- Refrain from riding bikes at any time during the school day.
- Upon dismissal, wait at the bicycle rack until all buses have left the school grounds.

BIRTHDAY INVITATIONS

We celebrate the special moments of our students and enjoy announcing birthdays each day. On their special day all students receive a birthday sticker and pencil from the office. As you are preparing for any birthday parties, please keep in mind that we ask that you send out invitations from home rather than through your child at school. It can be disconcerting to those students in the class who are not invited to the celebration.

ASD-S BUS CONVEYANCE POLICY

Anglophone South School District follows a Conveyance Policy where students are transported by bus only to home addresses. One alternate location may be considered as long as this is a location which is used consistently and it is within the Fairvale Elementary zone. An Alternate Location Request form must be filled out. All students going to afterschool care, other than their own home must fill in this form. This form is available in the school office or downloadable from the district web site under Transportation.

BUS DISCIPLINE

The safety of all students who ride on our school buses is a matter of concern to the staff at FES. Bus transportation is a privilege that can be revoked for any student whose behaviour is unacceptable.

The following procedures are followed when students are reported for bus misbehaviour:

- The student(s) and witnesses may / will be interviewed by the administration to provide an accurate account of the incident.
- Following an investigation, the student may/ will receive one or more of the following consequences: a verbal warning, a warning letter and / or a letter of bus suspension. **A copy of the letter needs to be placed by the homeroom teacher in the student's cumulative record file.**

There are two classes of offences for which a driver can file a bus report on students.

- Class One offences can result in a verbal warning, a written letter of warning, or an immediate suspension of bus privileges. Examples may include: noisy behaviour, switching seats, spitting, or other similar offences.
- Class Two offences are more serious and usually will result in a one to five day suspension of bus privileges. Examples may include: offensive language, physical aggression, or vandalism.

BUS SAFETY

Students must ensure that behaviour at their bus stop does not result in unsafe conditions. Throwing rocks or snow at the bus stop is not acceptable. Children should be at the stop at least 5 minutes before the bus is scheduled to arrive in the morning. The children are to follow the directions of the driver and look both ways before crossing the road. If students must cross the street they are to cross the road at least 3 metres in front of the bus. To prevent being a safety hazard, backpack straps and clothing toggles should be kept short.

Certain items are not permitted on a school bus regular run for safety reasons, limited seating space or time restrictions. Such items are as follows:

- 1) skate boards or scooters
- 2) large musical instruments- violins and ukuleles are permitted
- 3) hockey/game sticks and equipment bags
- 4) portable stereos
- 5) suitcases
- 6) skis and ski poles

Ice skates and roller skates must be in a zippered canvas type bag for transporting on the school bus.

BUS ZONE/ DROP OFF

We encourage all parents to send their children on their assigned school buses. It reduces the amount of traffic in the mornings and allows us to do our part for the environment. Any parent who chooses to drive his or her child(ren) to school has three options.

The three options are:

- 1) Park in front of Dreamland and have your child (ren) use the sidewalk and enter through the playground gate.
- 2) Use the drop off lane and have your children enter through the gate at the end of the school opposite the grade four/five door. No U turns permitted. Please drive to the end of School Avenue to turn around, or use a parking space in front of Dreamland to turn around.
- 3) Use the drop off circle in front of the school closest to the main entrance. Children will then proceed to the playground using the sidewalk parallel to the school. This circle is for drop off only. **No parking permitted in this circle.**

Please follow the No Parking signs in this area. This will ensure that our children remain safe. These procedures are in place to ensure safety of all students. They are only as effective as the willingness of everyone to adhere to the rules. Thank you for your cooperation. Safety of all students is top priority. As part of our parking/ drop off upgrades a new visitor parking area (with six spots) will be created to the left of the drop off circle.

CHILD ABSENCES FROM SCHOOL/ SAFE ARRIVAL

As stated in the Education Act, students are expected to attend school each day school operates. Occasionally absences are necessary due to sickness or appointments which cannot be scheduled beyond school times. In these cases, please follow the following procedures:

With **Safe Arrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger** app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
2. Use the Safe Arrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Call the toll-free number **1-833-219-9065** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent when the absence was not reported in advance. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **Safe Arrival** toll-free number, website or mobile app, you will NOT receive these notifications.

COMMUNICATION

It is very important that we have clear communication between school and home. Our newsletter will inform you of curriculum updates. As well, we send electronically a weekly message entitled the F.E.S. Family Connections. This is our primary means of communicating with families and will serve to inform you of all school events as well as other important information. Please ensure we have your proper email address.

CUSTODY ARRANGEMENTS

The school administration and classroom teacher need to be aware of any custody arrangements and, in particular, if there are court orders prohibiting a parent from having contact with the child. A copy of the specific court order must be in the child's school record. In some cases, parents who have children under joint custody request that both parents receive copies of the school report card and other documents. Please inform the school if this is your preferred arrangement.

EMERGENCY EVACUATIONS

In case of an emergency, students may need to be sent home early, or evacuated to the Rothesay Baptist Church at 30 Vincent Road. Please review with your child (ren) what your plans involve if school closes early. Teachers and staff must contact the child's parent or guardian or emergency contact to inform them of the situation. In most cases, it is not critical to immediately leave the building. The buses are not sent until plans are confirmed for all students.

EXPECTATIONS OF OUR STAFF

To the best of our ability, our staff will:

1. Provide a safe, orderly environment where every child has an opportunity to learn to his/her potential.
2. Encourage the social, emotional, physical, and academic growth of our pupils by providing a variety of educational opportunities.
3. Keep parents informed about the progress of their children, both through formal and informal means.
4. Respect children as young persons who come from various backgrounds and who bring different abilities to school.
5. Model appropriate attitudes and behaviours for our students.
6. Provide discipline, which is based on our training.¹
7. Base decisions on what we believe to be in the best interest of the child.

*If parents need to discuss an **educational concern**, they will contact the teacher set up an **appointment**. If parents are not satisfied with the outcome of the meeting, they may contact the administration.

FIRE DRILL

When the fire alarm is sounded, everyone must exit the building. Teachers must take their class list and take attendance when the children have gathered at the meeting place outside the school. Guidelines for behaviour include walking on the right side of the hall and remaining calm and quiet while exiting the building. When the drill is completed, the bell will be sounded and the classes may proceed back into the school.

FOOTWEAR

Students require indoor footwear for gym class and to help keep the school clean.

HOME

It is understood that the opportunity for a child's major learning experiences occurs in the home, particularly during the preschool years. It is also recognized that a good working relationship between the school and the home can only be to the benefit of the child. Because of the intense interdependence of the home and the school, the staff at F.E.S. undertakes to maintain a high level of communication and dialogue with the parents / guardians of the children in our charge. Communication may take the form of personal meetings and conferences, phone communications, notes, letters, and monthly newsletters.

HOMEWORK

Homework is an important activity that allows parents and teachers to work together as partners to support children as learners. As a general guideline homework is assigned 10 minutes per grade level. The following is a guideline:

Kindergarten	10 minutes daily
Grades 1	10 minutes daily
Grade 2	20 minutes daily
Grade 3	30 minutes daily
Grade 4	40 minutes daily
Grade 5	50 minutes daily

Note: Many of our teachers do not assign homework on weekends.

HEALTHY LUNCH/ MILK ORDERS and HOME AND SCHOOL ASSOCIATION

We are fortunate to have a dedicated Home & School Association at our school. It is the responsibility of parents to form a Home and School Association. An information bulletin will be sent home to all parents early in September looking for volunteers.

One of the programs that the Home and School at FES operates is the Healthy Lunch program. This program is run with a few needs in mind. First and foremost, the hot and cold meal options that we offer during the week meet the Nutrition Guidelines put forth by the Provincial Government.

Another aspect of the program is to provide a convenience for families. We are pleased to give your family the choice to participate in our program by ordering as many of the items as is convenient for you. Along with the meal items, the FES Home and School group operates the milk program in conjunction with the food items. Baxter's white milk is delivered to students each day of the week. The first food period is 2 weeks long, and the remaining 7 food periods will each be 5 weeks long. We know that there are many costs associated with the beginning of school, so we kept the first food period short to help ease with the expenses while allowing the children to try the menu.

Sample Menu

Monday - Friday	\$0.55 per milk/per day	Baxter Milk - white, 250 ml size	Baxter Dairy	\$13.75 for the 5 weeks (25 days) in the period.
Monday	\$1.75 per order	Cheese Pizza- one slice	Supplied by Domino's	\$8.25 for the 5 Mondays per slice.
Tuesday	\$2.50 per wrap OR \$3 per chicken poppers	DQ Grilled Chicken Wrap- Grilled chicken, lettuce, cheddar cheese OR 5 Chicken Poppers with a Bread Stick- 5 lightly battered and baked chicken breast pieces with 1 garlic parmesan breadstick	Supplied by Dairy Queen Supplied by Papa John's	\$12.50 for the 5 Tuesdays. OR \$15 for the 5 Tuesdays.
Wednesday	\$3.75 per order OR \$3.75 per burger	macaroni w/grass fed hamburger and a tomato sauce with 9 vegetables pureed OR Grass fed lean hamburger served with a side of carrots.	Supplied by LOU's food services	\$18.75 for the 5 Thursdays. OR \$18.75 for the 5 Thursdays.
Thursday	\$1.75 per slice	Cheese Pizza - one slice.	Supplied by Angelo's Pizza	\$7.00 per slice for the food period
Friday	\$3.25 per meal	5 mini pancakes (syrup NOT included)	Supplied by Reed's Point	\$16.25 for the 5 Fridays.

Another important function of the Healthy Lunch Program is to raise money. This money funds many projects at FES. Last year we supported upgrades to our amazing Dream Land by providing more outdoor seating areas with improvements to the basketball area for all children to enjoy. We continue to provide funding for the art room, music room, sensory room and many other areas!

We have eight order periods throughout the year with families placing their orders online. Annually, the first food period is two weeks in length while the remaining seven food periods are five weeks in length.

Healthy Lunch Information	Food Period #1 (FP#1)	FP #2	FP #3	FP#4	FP #5	FP # 6	FP# 7	FP#8

Duration	2 weeks	5 weeks	5 weeks	5 weeks	5 weeks	5 weeks	5 weeks	5 weeks

Policy 711, Healthier School Food Environment, has recently been revised to ensure students are offered the healthiest food possible at school. We will be looking more closely at sugars, sodium and saturated fats to ensure we are in compliance with the policy. Additionally, we are now required to offer meals, which include vegetables, fruit, whole grain products, milk or alternatives and meat or alternatives.

There are no refunds for sick days, snow days or vacations, please contact the Home and School group at fairvalehealthylunch@gmail.com if you have any questions or concerns. For missed days, as it has worked in the past, the milk and meal item will be given to another student in need, unless otherwise requested (give to a sibling or friend). **In case of a snow day, we will not be carrying forward the food items to another week or reimbursing families for that day.** The Home and School group will use the money from the missed snow day to provide FES students with hot chocolate and a healthy snack on the morning of the Winter Carnival.

Allergy alerts - Please contact us regarding any allergy concerns you may have for your child. We have always and will continue to do our very best to accommodate your needs.

Yours truly,

Tara Jackson Richard
Healthy Lunch Program Coordinator
fairvalehealthylunch@gmail.com

INSTRUCTIONAL TIME

With the extensive amount of material to be covered by teachers, it is of utmost importance that instructional time be protected. We will take measures within the school day to maintain maximum instructional time. Parents can help in the following ways:

- Attempt to schedule all of your child's appointments outside of school time. In the rare case where you must pick up your child during instructional time, minimize disturbances in the classroom by asking our Administrative Assistant to have your child sent to the lobby.
- If you are picking up your child after school, meet him or her at the gate to the playground. - 1:35 PM for Kindergarten to Grade 2 children and 2:35 PM for Grades 3 to 5 students.
- If you require time to speak with your child's teacher, please write a note to the teacher, phone after 2:40 PM, or schedule an appointment after school.

Thank you for helping to protect precious learning time! Your cooperation is greatly appreciated!

LIBRARY

The library is open to classes four days a week. Students must return books when they are due. Students with overdue books are not permitted to take out books from the library. If a book is lost or damaged, a notice will be sent home with the replacement value of the book listed. Voices must be kept quiet during the library time.

LICE

In order to contain the spread of lice at school, students whose hair has adult lice or eggs (nits) will have their parent or guardian called to come and take the student home. We recognize that having lice is not a sign of uncleanliness and act in a gentle manner always keeping the child's feelings in mind. We regret having to take this action, but lice is highly communicable as well as costly and time consuming to get rid of. Therefore the school must ask the parent or guardian to keep the child home until all adult lice and nits have been removed. It is necessary to remove ALL nits or eggs as not all nits are killed by the lice shampoo treatment. If nits are found the student will

remain in the classroom until taken home; however, if live lice are observed, the child will be removed from the classroom. Whenever nits or lice are found at school or when a parent informs the school that his or her child has lice, a letter will be sent home to parents of all children in the same class.

LOST AND FOUND

Items are stored on a shelving unit directly behind the library. Students and parents are reminded to check the lost and found area. Three times a year any unclaimed items are donated to charity. In an effort to keep our Lost & Found items to a minimum, **parents are asked to place their child's name on all items being brought from home, including sweaters, jackets and sneakers.**

MASCOT/ SCHOOL COLOURS

Our school mascot is Flash the falcon. Our school colours are blue and grey.

MEDICATIONS, ALLERGEN FREE ENVIRONMENT, COMMUNICABLE DISEASES/EXCLUSION FROM SCHOOL

The school will do its utmost to work with the home regarding medical prescriptions which are to be administered during the school day. Staff members will supervise students taking medication provided the following parameters are observed:

- 1) For all students who take medication regularly or occasionally, an official form must be completed explaining the details of the medication. **Please note that it is a policy of the Department of Education that we cannot administer medication unless this form is on file at the school.** This form is available at the school.
- 2) The school is not to be held responsible for long term storage or lost medicine.
- 3) Medicine must be kept in the original container from the drug store.

Important Note: Medic Alert Forms must be completed for all students with serious health issues as soon as possible.

Allergen Free Environment

Fairvale Elementary School is a **nut free and scent free environment**. We **must** have everyone's cooperation by:

- **not sending any food product containing nuts** (peanuts or tree nuts)

Please check labels carefully. To avoid confusion, we discourage peanut butter alternatives (products that look like peanut butter).

- **not wearing perfumes, strong deodorants, body sprays and hair sprays**

In addition we have a severe dairy allergy in our school. We do allow dairy products, however classmates of the child with the severe allergy are asked to limit the amount of dairy sent and to avoid bringing yogurt tubes. Yogurt from yogurt tubes easily squirts and can be problematic for students with severe dairy allergy. A letter is sent home to the families of students in that class.

Please realize the seriousness of allergies. Due to our commitment to providing a safe learning environment for all, these expectations must be strictly enforced.

Communicable Diseases & Exclusion From School

In the best interest of the student body, all parents are asked to respect the following Department of Health guidelines regarding communicable diseases:

<u>DISEASE:</u>	<u>MINIMUM EXCLUSION PERIOD FROM SCHOOL:</u>
Vaccine Preventable Diseases:	
Diphtheria (case)	<i>Two weeks after completion of antibiotics provided that two negative cultures are obtained. Medical certificate required.</i>
Diphtheria (carrier)	<i>After completion of antibiotics provided that two negative cultures are obtained. Medical certificate required.</i>
Measles	<i>Four days from appearance of rash</i>
Mumps	<i>Nine days from appearance of swelling</i>
Rubella	<i>Seven days after onset of rash</i>
Whooping cough (pertussis)	<i>Five days after starting antibiotic treatment or three weeks after onset of cough (untreated)</i>
Chickenpox (varicella)	<i>Until the lesions have dried and crusted over</i>
Hepatitis A	<i>One week after onset of jaundice</i>
Other Viral Infections:	
Fifth Disease (Erythema Infectiosum)	<i>None</i>
Mononucleosis	<i>None</i>
Other Bacterial Infections:	
Strep Throat (with/without skin rash)	<i>24 hours after starting antibiotic treatment</i>
Scarlet Fever	<i>24 hours after starting antibiotic treatment</i>
Impetigo	<i>24 hours after starting antibiotic treatment</i>
Other Conditions:	
Scabies	<i>24 hours after treatment</i>
Pediculosis (Head Lice)*	<i>Until first treatment is complete and no evidence of live lice</i>
Pink Eye	<i>24 hours after starting treatment</i>
Ringworm	<i>None</i>
* Note: Please check your child for head lice on a weekly basis. Please notify the school at the first sign of nits or lice.	

Each day many parents are faced with a decision: should I keep my sick child at home or send him or her off to school? Often the way a child looks and acts can make the decision an obvious one. A sick child cannot learn effectively and is unable to participate in classes in a meaningful way. *Keeping a sick child home prevents the spread of illness in the school community and allows the child an opportunity to rest, recover and receive the extra tender love and care he or she needs.* If children are well enough to be at school, they are well enough to go outside to play and enjoy the fresh air. Children with fractures and breaks may need to remain inside depending on the injury.

NEWSLETTERS

A school newsletter will be issued the first Friday of each month. Topics covered include upcoming events, literacy and numeracy tips, updates from the Guidance Department, and other valuable information. Our monthly newsletters will be posted on our website and sent electronically.

OUTDOOR PLAY

On most days, students will be expected to play outside upon arrival (times vary depending on bus arrival times), during morning recess (15 minutes) and 30 minutes at noon. *Parents are asked to ensure that children are dressed appropriately for going outdoors.* When weather does not permit outdoor activities due to extreme cold or rain, we will have an "inside day" at our school. The decision for an "inside day" will be made by the school administration in consultation with the teaching staff. Teachers scheduled for outdoor supervision (as well as two others) will supervise the designated in-school areas when the decision has been made to stay in.

PARENT SCHOOL SUPPORT COMMITTEE

A Parent School Support Committee (PSSC) will be established for our school in September. A formal election will be held to fill the membership requirements. The mandate of the PSSC is to assist in the creation and monitoring of the School Improvement Plan. The Principal is responsible for establishing the PSSC, attending all meetings and working with this group.

PROGRESS REPORTS/ PARENT TEACHER CONFERENCES

Three formal reports will be issued per child each year; formal Parent/Student/Teacher Conferences will be scheduled after Terms One and Term Two Report Cards. *It is important to note that parents may schedule a meeting with school staff at any time throughout the school year.* Please contact your child's teacher and we will be happy to schedule an appointment.

SAFETY

The safety of our children is of prime importance to the staff of Fairvale Elementary School. Anything that threatens the safety of students at our school must be reported to the administration. Appropriate measures will be taken to remedy any safety issue.

- **Parents are asked to enter and leave the building through the Main Lobby Entrance.** All other doors will remain locked to the outdoors during school hours.
- **Anyone proceeding past the main lobby must sign in.** For the safety of all children, we must have a record of every visitor.
- All children must be supervised at all times. ***Supervision of students does not commence until 7:40 AM*** so please do not drop off your son or daughter prior to that time.
- If you are taking your child out of the building, or having your child picked up anytime other than after school, we ask that **your child be signed out at the office.**

SCHOOL CLOSURES / INCLEMENT WEATHER

Our school is located in ASD-S, Hampton Education Center

Snow line - 1-855-535-7669 [SNOW]

The options are as follows:

1. Schools are open as usual and no announcement will be made.
2. All schools are closed for the day with an appropriate announcement being relayed to:
 - the local radio stations prior to 6:30 a.m.
 - the District website (www.asd-s.nbed.nb.ca)
 - follow District on twitter http://twitter.com/ASD_South
3. Some schools in the area are closed and the announcement will be made via the radio station as outlined above.
4. Buses are delayed one hour with all schools in ASD-S opening on time. Teachers are expected to be in their classrooms at the regular time, whenever possible, and to provide supervision and instruction i.e. of a remedial or review nature. Attendance will not be taken until the buses arrive.
5. Schools may be closed early if weather conditions deteriorate seriously during the day. In this case, schools will be informed by District Office personnel, and parents will be informed via the media. This option will be exercised very rarely since road conditions are often better at the end of the school day when transportation crews are expecting students to be dismissed.

You are urged to listen to the radio early in the morning during inclement weather conditions so that you can be informed of the school closings. Also you are reminded to check the walking conditions in your area before your child(ren) is/are going to school, then you ultimately have the final decision as to whether or not to send your child(ren) to school, either walking or on the bus.

Additionally, school bus drivers are encouraged to exercise caution and their own discretion when encountering unfavourable road conditions in their area.

School can also be closed for other reasons

Closures may happen under clear sunny skies due to a problem with power, water or something more severe. If the problem occurs through the night, the school may be closed for the day, and announcements will be made through local radio stations. If the problem occurs through the school day, the school may need to be closed early, and students will be sent home early.

- **If closing early, it is essential that we have emergency closure information so that in an emergency, we know how to get in touch with you and where to send your child - a place where it is guaranteed that there will be someone home.** For the sake of the safety of your child, please be diligent in completing this section of the information form very carefully. Although we trust this will never happen, please be sure to discuss with your child what procedures to follow if he/she arrives home and no one is there. Thank you for helping us keep your child safe!

SCHOOL EXPECTATIONS

Fairvale Elementary School is a caring community in which all students are taught our School Code of Conduct so all children can participate in a positive learning environment while reaching their full social and academic potential.

F.E.S. Student Code of Conduct

By living the 7 Habits we, as students, of F.E.S. will be:

Respectful

At FES, we are respectful to ourselves, others and our environment. We are respectful of the ideas and feelings of others.

Responsible

At FES, we are responsible for our actions, choices and words.

Safe

At FES, we always work and play in a safe way so that no one in our school community is hurt.

Ready to Learn

At FES, we are prepared to work and learn to the best of our ability.

We are proactive and encourage good behaviour through an approach called *Positive Behavioral Interventions and Supports* (PBIS). Rather than focusing on punishment after a child has misbehaved, we focus on preventing the problem by teaching appropriate behaviour, just like math and reading. Consider this:

If a child does not know how to read, we teach.

If a child does not know how to swim, we teach.

If a child does not know how to multiply, we teach.

If a child does not know how to drive, we teach.

If a child does not know how to behave, weteach.....punish?

It is important for us to support students and teach them the skills they require instead of simply punishing them for poor choices.

School Fees 2018-2019

Grade	Amount	Explanation
Kindergarten - Grade 5	\$55	Parents provided feedback through a school wide survey two years ago that they would prefer an all-inclusive student fee that included school supplies. The one-time fee of \$55 per child covers the cost of all school supplies, three school performances, four skating sessions at the qplex and an agenda or handbook. Families are only required to provide the following: <ul style="list-style-type: none">• 1 package of large resealable bags• 1 set of inexpensive ear buds/ ear phones (ear phones preferred)• Indoor sneakers• 1 Backpack• 1 lunch bag

*Classroom teachers who do not use agendas receive \$40 out of the \$55 to spend on supplies that the students use throughout the year. Classroom teachers who do use agendas receive \$33 out of the \$55 to spend on student

supplies. The remaining funds (\$15 or \$17 or) are used to cover the costs of three school performances, four skating sessions at the qplex (ice rental and transportation) and 50% of the cost of agendas and/or handbooks.

- Each class takes at least one field trip throughout the school year which may result in an additional fee. A specific amount to cover this expense is not incorporated into our student fee because the fees vary depending on the nature of the field trip. For example a field trip to Meenan's Cove Park and to Brunswick Nurseries is free whereas a trip to Cherry Brook Zoo and NB Museum would incur a cost.
- Student fees are due by Friday, September 21st. Please contact Bonnie Hierlihy at Bonnie.Hierlihy@nbed.nb.ca or at 847-6306 if you need to pay in installments.
- As a school community, we support charities four times throughout the school year. No more than a toonie is suggested per event and all charitable fund raisers are optional for families.

SCHOOL LEADERSHIP

Many of our Grade 5 students help to organize, plan and participate in a variety of Students led clubs, intramurals, playground, and other school activities. Their activities include providing assistance to other students on the primary playground area, sorting and delivering pamphlets and newsletters to all classes, making announcements, and acting as junior secretaries if needed. Students count and organize milk and lunches for fellow students.

SCHOOL PHOTOS

School photographs will be taken on **Thursday, September 13th** by Photography Flewelling. Students will bring home four proofs on the day photographs are taken. Re-takes will take place on **Thursday October 4th**.

SKATING

Students have a four week skating session at the qplex on Thursdays between October and March. Primary children (K-2) skate for 30 minutes and upper elementary students skate for 45 minutes. Children are transported by bus. Depending on class size, either two or three classes (of similar grade) skate at the same time.

Notes for parents regarding skating

- The teachers view skating as part of our physical education program and we encourage all children to participate.
- We ask for your co-operation in ensuring your child has **skates, warm gloves or mittens, snow pants, and a hat**. Quispamsis has adopted an ice helmet policy and now requires all skaters to wear a CSA approved protective helmet. Helmets are mandatory for all individuals at all times while on the ice for all arenas in the town of Quispamsis. There is a limited supply of helmets available for use at the qplex for students who do not have them.

Skating safety

- Skating is viewed as recreational and, at this level, we are not permitted to allow the children to play hockey or games resembling hockey. Students are asked to skate at a safe speed that allows everyone to enjoy this activity.
- Each group that goes to the rink is to arrange for part of the ice surface to be available for beginners.
- Students are not allowed on the ice surface until the teacher / supervisor is **on** the ice.

- When bringing skates on the school bus, children must put their skates in a gym bag; a plastic bag is not strong enough to prevent accidents with sharp skates.

Families are welcome to come to help with skates and to skate with the classes. Our skating program supports the importance of an active lifestyle.

VOLUNTEERS

All volunteers must complete a volunteer registration form. Parent volunteers should be under direct teacher supervision whenever assisting in the classroom. If parents take children out of the classroom to read with them or to provide academic support, a criminal record check must be done. School District 6 will cover the cost of such checks. Criminal record checks are completed at the Rothesay Regional Police Station.

WEATHER POLICY

- ❖ **If the temperature is between -15°C and -20°C , the children will go outside for recess and for a shortened time at noon.**
- ❖ If it is colder than -20°C , the children will come directly in off the bus in the morning and will not go outside during recess and lunch.

The temperature used to make the decision is all inclusive, meaning it will take into account the wind chill factor. Please note that supervision of recess and lunch hour will be provided indoors only on days of inclement weather. We expect all students to be dressed appropriately for the weather.
