

Belleisle Elementary May Newsletter

Kindergarten Orientation Day: The BES Pre-Kindergarten Orientation Day is scheduled for June 7th for those students registered to begin school in September. Our Pre-K families will receive information regarding the orientation day in early May and the Covid 19 protocols required. *Our present kindergarteners stay home this day to make this event happen.* If you are aware of a family who has not yet registered their child for Kindergarten, would you please pass on the above information and ask them to contact the school at 485-3025.

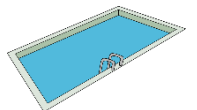

BES Grade 5 Send Off: We will celebrate our Grade 5 students who will be heading to BRHS in the fall. More information will go home to the grade 5 parents once I receive more information from the district.

Grade 5 Legacy Project: Mr. Bond's class is completing a wonderful global citizenship project called "Spring Chores for Africa". The children are completing chores and using the money to purchase French literacy books for a small, rural village in Africa with a literacy rate of just 13%. I saw a few pictures of students working busily at a horse stable on the weekend. Keep up the great work grade 5! This is a wonderful way for the students to learn about another part of the world and realize how lucky we are to live here in New Brunswick.

Provincial Assessments: Most provincial assessments were cancelled this year. However, the Grade 4 will be writing a literacy assessment in May. Information will come home to those parents soon.

Ball Field & Pool: I am currently working with both groups on their Covid 19 Operational Plans. It will be wonderful for the children to have some other activity options for the summer.

Playground Refurbishment: I am planning to do some work on the playground over the summer. Hopefully, everything goes as planned 😊. A BIG thank you goes out to all the parents & community members who supported our playground fundraising effort with Make It Sow this year and for always supporting the Home & School.

Boys & Girls Club: Students who participated in the March Break Camp had lots of fun, so the boys & Girls Club is running a Summer Day Camp. More information will follow but you can go onto their website at any time to find out what is happening and to register.
