Belleisle Elementary School Newsletter November 2022

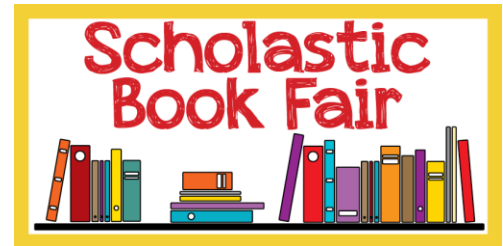

Belleisle Harvest Auction: Don't forget, the auction is Saturday, October 29th. If you've never been to the auction, you're in for quite a surprise. There is lots going on in every room with great deals, food, and of course the silent and live auction.

Picture Retakes: November 9th. You do not need to send in the old picture, just let the teacher know.

BEŞ Scholastic Book Fair: The Scholastic Book Fair will run November 28th and wrap up on December 2nd. We will have items here at the school for children to look through and purchase. Parents will also have an opportunity to come to the school on Wednesday evening, November 30th from 6:00-7:30 p.m. to browse the books.

Boys and Girls Club Monday Activity Night: The Boys & Girls Club runs childcare services here at the school and a full summer camp program. They have now begun their activity night on Tuesdays from 6:30-8:30 p.m. Activities will take place in the gym and indoor shoes will be needed, so please bring a pair along. Contact the Boys & Girls Club for information if you are interested in having your child participate. You must register.

Belleisle Elementary School PSSC Members: PSSC members for 2022-2023 are: Samantha Edwards, Catherine Grant, Amanda Henderson, Jessica Jaimeson, Kelsey Morton & Brandy Wilson. The teacher representative is Melissa Adams, Home & School Representative is Tara Ness, and our DEC Chair is Richard Malone. The PSSC is a supportive committee who works in collaboration with the principal on school matters and initiatives.

Swimming: Last day of swimming block is November 4th. Thanks to the pool Committee for helping me make this happen.

A BIG thank you goes out to Stephen Bates for the donation of apples. The students LOVED them!

Report Cards: Go home on December 1st. Parent Teacher will be the evening of Thursday, December 8th between 4:00-7:00 p.m. and the morning of Friday, December 9th from 8:30-11:30 a.m. Parents will book an appointment with their child's teacher through the online booking site, the same as we have done the past 2 years. Information on booking will come home as we get closer to the date.

-Mrs. Perry

Sickness: There have been quite a few children sick with the stomach flu and colds. After 3 years living with Covid protocols, it is still difficult to know when a child should stay home from school. I've included the following visual from our school nurses to hopefully help:

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

I have a runny nose or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours.

Keep me at home if...

I have a temperature higher than 100 degrees even after taking medicine.

I'm throwing up or have diarrhea.

My eyes are pink and crusty.

I have an undiagnosed rash.

Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I've been throwing up or have diarrhea for more than two days.

I've had the sniffles for more than a week, and they aren't getting better.

I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using an inhaler).
