ASD-S District Improvement Plan

Mission:				Vision:		
The mission of ASD-S is to improve achievement by engaging children and youth and working in collaboration with families, staff and communities to provide safe and inclusive learning and working environments.				"Shaping a Positive Future for Every Child/Youth"		
Our Beliefs:						
We believe in a safe and inclusive learning and working environment.	We believe all children/youth can learn and all schools can improve.	We believe in the importance of mental, physical, social/emotional health.	We believe in family and community involvement in schools.	We believe in on going professional learning for all staff.	We believe children/youth must be engaged in diverse, relevant and contemporary learning experiences.	
Ends Polices						
Ends Policy 1	Ends Policy 2	Ends Policy 3	Ends Policy 4	Ends Policy 5	Ends Policy 6	Ends Policy 7
To provide positive, safe, healthy and inclusive learning and working environments for children, youth, and staff.	To demonstrate continuous improvement toward meeting provincial targets in literacy, numeracy, science (English and French Immersion) and to improve learning in and application of the arts, trades and technology.	To increase the engagement of children & youth by embedding competencies such as, critical thinking, citizenship, entrepreneurship, innovation, personalized learning and leadership in teaching and learning.	To provide opportunities for staff to learn about mental health issues in children and youth and to promote school and District wide initiatives that promote mental fitness.	To expect all members of the school community to be welcomed, respected, accepted and supported and to address heterosexism and discrimination.	To coordinate and maximize access to resources to support children, youth & families.	To promote the value of education through effective partnerships and positive pro-active communication.

Traffic Notes

During inclement weather, or very cold weather, please drop off your children near the front entrance of the school **close** to doors near the traffic circle to allow children to be dropped off by the buses directly in front of the school and to avoid traffic congestion on wet or cold weather mornings.

Passing a school bus when the red lights are flashing is a serious offense and may result in a substantial fine. Please remember the speed limit on School Street is 20 kilometers/hr.

Our staff are exiting their vehicles in the morning during Drop Off so please check both ways before you pull away.

“Play First, Then Eat”

(also known as Recess Before Lunch)

“Play First, Then Eat” is simply a change in the traditional scheduling order of lunch time and recess. This idea was first put into practice in Montana and has gained popularity across North America. Many schools and districts in the US have adopted this model as have schools in Canada. In our own province and district “Play First, Then Eat” has been implemented successfully.

The benefits reported include:

1. Teachers notice that children are more settled after eating and are more ready to start afternoon learning.
2. Children waste less food and drink more milk because they build up an appetite while playing outside.
3. There is improved behaviour in afternoon classes.

School Supplies Fees & Meet the Teacher

We will be collecting student fees for all Grade 2 to 5 students (English and French Immersion)—**total of \$60**. You may pay your fee at our Meet the Teacher on August 30. Fees are due by the end of September.

The fees cover:

- **\$40**--All student consumables such as pencils, notebooks, duotangs, etc.; students will only be required to purchase a *backpack, lunch box, 2 boxes of tissues and indoor sneakers*. Students also should bring a set of headphones to stay at school. Some classes may also require a USB storage device for school projects.
- **\$20**--Skating, cultural events and student agendas.

At our Meet the Teacher evening before school begins in the Fall, students may bring their indoor sneakers and leave them in their new classroom!

***There may be times towards the end of the year when supplies may need to be replenished. If so, the homeroom teacher would communicate this need.

School Cash On-Line: Safe and Easy!

Look for this link on our website's homepage

No more searching around the house for enough loonies and toonies or remembering to get cash for milk, hot lunch, or student fees!

No more sending money in backpacks and hoping it doesn't get lost or forgotten!

-
- ❖ Registration is very easy. You just need to search for your child using his/her birthdate.
 - ❖ Payment may be made by credit card or e-cheque (using the digits from the bottom of your cheque). There is also a 'my wallet' feature available.
 - ❖ You are welcome to pay student fees beginning August 1! We will set up an installment option if that is easier for you.
 - ❖ All milk and lunch orders/payments will be done through School Cash On-Line. (Please ask for a paper copy if you do not have internet access at home.)

Playgrounds

There are two playgrounds at Hampton Elementary School.

All Grade 2FI, 3 students and Grade 4 English students play on the Hawks Eye playground.

Grade 4 French Immersion and All Grade 5 students play on the Hawks Nest playground.

Both areas contain playground equipment and paved areas for games such as basketball and skipping, etc.

The Home & School Association is currently working on playground upgrades so that both playgrounds have age-appropriate equipment.

School Code of Conduct

Hampton Elementary is a

- Hands Off
- Feet Off
- Words Off

School

The staff of Hampton Elementary define, practice and model specific skills to ensure smooth transitions and orderly conduct. As a result, our school has been recognized for having a school environment that is calm, relaxed, and dedicated to student learning. This has contributed to a great positive learning environment!

Skills for the first two months include:

Entering building
Speaking to others
Morning Routine
Hall Passes
Moving through the school
Visitors
Bathroom
Leaving the school
Fire Drill
Listening
Asking for help

WITS

All students are trained in using their WITS:

I promise to use my WITS, to walk away, ignore, talk it out and seek help when I'm dealing with teasing and bullying.

I promise to also help other kids use their WITS to keep my school and my community a safe and fun place to be and learn.

Hot Lunch

We currently offer a hot lunch option every day of the week using an online ordering system.

Our Home and School oversees the food selection and delivery of this Hot Lunch program.

The Home and School is our driving force of the HES Healthy Lunch Program.

Milk

We sell milk—\$0.50 for white and \$0.55 for chocolate—through a special discounted program called Milk for Schools. It is pre-ordered; and the order forms are sent home, in advance, so parents know when to order milk. The first milk order will begin in mid-September and will last for about 40 days. There are approximately four orders per year, and we offer milk until the last week of school in June.

Our school uses Synervoice, school website and e-mail as a means of keeping families informed of upcoming school and community events. Please provide the school with an e-mail address to send notices and newsletters in order to help save the amount of paper we send to your home.

Newsletters are sent by e-mail and posted on our school website at the first of each month. In addition there is a wealth of information for parents as well many pictures of the variety of activities that go on each year and links to teachers' classroom websites. You can check out all this info on our school website at <http://hampton-elementary.nbed.nb.ca>

Communication

Alternate Bus Arrangements

Students who require a change in their after school plans, must complete a change of transportation form 24 hours in advance. These changes are not permitted for after school playdates and/or birthday parties.

If there is an emergency, and a change **must** be made, please contact the school as soon as possible.

Classroom Expectations

- I respect myself, others and the environment.
- I am responsible for my belongings and helping to keep our classroom clean.
- I listen to the person talking without interrupting or disrupting.
- I will raise my hand to contribute to classroom discussions.
- I will always give my 100%.
- RESPECT is my number one expectation at all times.

Homework Expectations

A reasonable amount of homework provides an important means to support in the following ways:

- 1) It can periodically allow children to complete unfinished work at home.
- 2) It gives parents an opportunity to reinforce literacy or math facts that have been taught at school.

Homework assignments can be viewed daily in the student agenda. Any important communication between parents and teachers can be recorded in the student agenda.

Homework should take about 10 minutes for each grade level. For example, grade three, $10 \times 3 = 30$ minutes for that evening.

Homework Expectations cont.

The classroom teacher will communicate the homework expectations. Homework is designed to reinforce and review work that has already been taught. Homework is to be completed in a reasonable amount of time and if there are any concerns about this, then please contact the classroom teacher.

Students Visits

- DATL students will be visiting
- HRVES & MCS students are welcome to call the school to set up an appointment to visit any day afterschool with our admin assistant

Summer Reading

The research is clear that children who don't read during the summer can lose up to three months of reading progress and that loss has a cumulative, long-term effect.

<http://www.readingrockets.org/calendar/summer>

Topics:

- finding a great summer program
- strategies for summer reading for children with dyslexia
- day trips for book lovers

The ABCs of Improved Reading

Access to books. It's critical that kids have access to a wide variety of books over the summer months, but we know that access alone doesn't make a strong impact.

Books that match readers' ability levels and interests. For young people's reading skills to improve, they need to read books that align with their own reading levels. Reading books that are too easy or too hard won't help!

Comprehension, as monitored and guided by an adult, teacher or parent. The most important piece to making summer reading effective is the help of an adult who can ask questions and guide kids to better understand what they are reading.

With these three ingredients, your summer reading program will soar!

Volunteer Opportunities...

1. Volunteer in our classrooms
2. Become a member of Parent School Support Committee - If you are interested in being a member of the PSSC please contact Mrs. Blanchard (Principal) or email psscchair@gmail.com
