

Welcome to Hampton Elementary School! Bienvenue!

Our mission is to:

Help and believe in

Each student so that he or she can reach their highest potential in a

Safe , supportive, inclusive environment

At HES all staff will:

Be safe, supportive and inclusive

Encourage student success

Lead with a “Can Do” attitude

Invest in school pride

Engage students in personal challenges

Value risk taking and confidence

Expect students to succeed

HES School Improvement Plan 2015-2018

1. Using a balanced literacy approach to develop and improve instructional practices, assessment and intervention for Literacy so that 90% of our students receive AA and above based on reading and writing standards Grade 3_Grade 4_Grade 5
2. To use research based instructional practices, assessment and intervention for Numeracy so that 90% of our students receive AA or above on District Math assessments Grade 3_Grade 4_Grade 5
3. Enhance regular communication **with** parents
4. Strengthen areas of school climate by concentration on staff and students working, learning and playing in a safe, positive, healthy environment
5. To provide families and staff learning opportunities about mental health and provide students with mental fitness understanding

Hampton Elementary School Floor Plan

Hawk's Eye Playground

Hawk's Nest Playground

---BUS ZONE---

Starting our day...

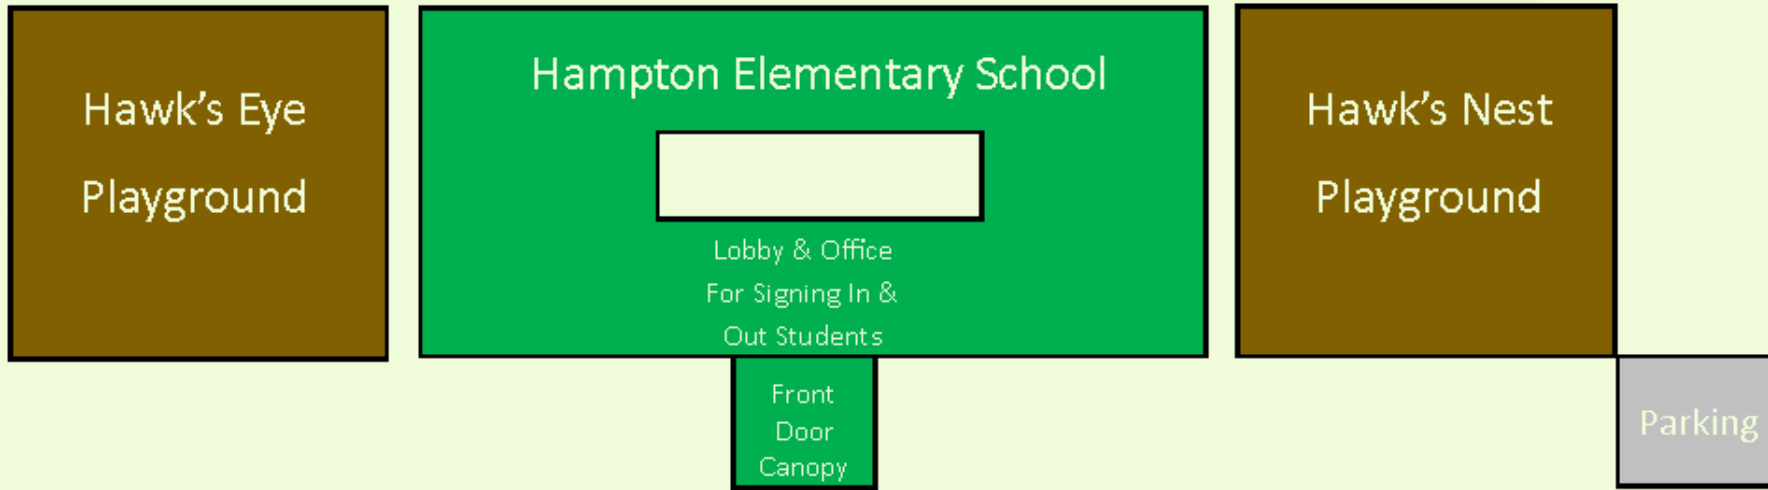

Traffic Notes

When dropping off your children in the morning please proceed beyond the first crosswalk and do not drop children off in the playground area as that is a bus drop off zone. If you must pick up your children after school, please park in the spaces adjacent to the playground. During inclement weather, or very cold weather, please drop off your children near the front entrance of the school **close** to doors near the traffic circle to allow children to be dropped off by the buses directly in front of the school and to avoid traffic congestion on wet or cold weather mornings.

Passing a school bus when the red lights are flashing is a serious offense and may result in a substantial fine. Please remember the speed limit on School Street is 20 kilometers

Bus Zone and Drop-Off/Pick-Up Zones

7:50-8:15 am

Drop off your child by parking in the roundabout on rainy or very cold days to allow the buses to unload at the front door and proceed to DATL

8:15 am

All students should be in the school unless being dropped off after an appointment for example

7:50-8:15 am

Bus unloading zone on rainy or very cold days

7:50-8:15 am

Drop off your child to the right of the playground before the bus zone except rainy or very cold days

Bus unloading zone on most days

“Play First, Then Eat”

(also known as Recess Before Lunch)

“Play First, Then Eat” is simply a change in the traditional scheduling order of lunch time and recess. This idea was first put into practice in Montana and has gained popularity across North America. Many schools and districts in the US have adopted this model as have schools in Canada. In our own province and district “Play First, Then Eat” has been implemented successfully.

The benefits reported include:

1. Teachers notice that children are more settled after eating and are more ready to start afternoon learning.
2. Children waste less food and drink more milk because they build up an appetite while playing outside.
3. There is improved behaviour in afternoon classes.

School Supplies Fees & Meet the Teacher

We will be collecting student fees for all Grade 3 to 5 students (English and French Immersion)—**total of \$60**. You may pay your fee at our Meet the Teacher on August 30. Fees are due by the end of September.

The fees cover:

- **\$40**--All student consumables such as pencils, notebooks, duotangs, etc.; students will only be required to purchase a backpack, lunch box, 2 boxes of tissues and indoor sneakers. Students also should bring a set of headphones to stay at school. Some classes may also require a USB storage device for school projects.
- **\$20**--Skating, cultural events and student agendas.

At our Meet the Teacher evening before school begins in the Fall, students may bring their indoor sneakers and leave them in their new classroom!

Meet the Teacher: Wednesday, August 30, 2017 at 6:30PM

Playgrounds

There are two playgrounds at Hampton Elementary School.

All Grade 3 students and Grade 4 English students play on the Hawks Eye playground.

Grade 4 French Immersion and All Grade 5 students play on the Hawks Nest playground.

Both areas contain playground equipment and paved areas for games such as basketball and skipping, etc.

The Home & School Association is currently working on playground upgrades so that both playgrounds have age-appropriate equipment.

School Code of Conduct

Hampton Elementary is a

- Hands Off
- Feet Off
- Words Off

School

The staff of Hampton Elementary define, practice and model specific skills to ensure smooth transitions and orderly conduct. As a result, our school has been recognized for having a school environment that is calm, relaxed, and dedicated to student learning. This has contributed to a great positive learning environment!

Skills for the first two months include:

Entering building
Speaking to others
Morning Routine
Hall Passes
Moving through the school
Visitors
Bathroom
Leaving the school
Fire Drill
Listening
Asking for help

Skillstreaming

WITS

All students are trained in using their WITS:

I promise to use my WITS, to walk away, ignore, talk it out and seek help when I'm dealing with teasing and bullying.

I promise to also help other kids use their WITS to keep my school and my community a safe and fun place to be and learn.

Programs & Activities

Student Leadership and Clubs:

Peer Helpers

Hot Lunch

We currently offer a hot lunch option every day of the week using an online ordering system/

Our Home and School oversees the food selection, ordering and delivery of this Hot Lunch program.

The Home and School is our driving force of the HES Healthy Lunch Program.

- hes.hotlunches.net

Milk

We sell milk—\$0.50 for white and \$0.55 for chocolate—through a special discounted program called Milk for Schools. It is pre-ordered; and the order forms are sent home, in advance, so parents know when to order milk. The first milk order will begin in mid-September and will last for about 40 days. There are approximately four orders per year, and we offer milk until the last week of school in June.

Our school uses Synervoice, school website and e-mail as a means of keeping families informed of upcoming school and community events. Please provide the school with an e-mail address to send notices and newsletters in order to help save the amount of paper we send to your home.

Newsletters are sent by e-mail and posted on our school website at the first of each month. In addition there is a wealth of information for parents as well many pictures of the variety of activities that go on each year and links to teachers' classroom websites. You can check out all this info on our school website at <http://hampton-elementary.nbed.nb.ca>

Communication

Welcome to Hampton Elementary School 2017-2018!

An Introduction to our Website

Our handbook (the first pages of the student agenda) can also be accessed here

Check your child's bus number, time, and stop now and again in the summer—call 832-6143 if you have any questions

The staff directory includes email addresses; feel free to contact us by phone or e-mail (please don't use e-mail for after school changes)

Find After School Alternate Busing or Alternate Pick-Up Forms here—must be submitted by Wed, Aug 31

The Vision of Hampton Elementary School is to...
Help and believe in
Each student so that they can achieve their highest potential in a
Safe, supportive, inclusive environment.

Our beliefs that guide our interaction and teaching practices are...

The Mission of Hampton Elementary is to...
Be safe, supportive and inclusive
Encourage student success
Lead with a "Can Do" attitude
Invest in school pride
Engage students in personal challenges
Value risk taking and confidence
Expect students to succeed

Alternate Bus Arrangements

Students who require a change in their after school plans, must complete a change of transportation form 24 hours in advance. These changes are not permitted for after school playdates and/or birthday parties.

If there is an emergency, and a change **must** be made, please contact the school as soon as possible.

Anglophone School District South
REQUEST FOR COURTESY SEATING TO AN ALTERNATE ADDRESS

Please return completed form to your school

- Copy To:
- Teacher
 - Parent
 - Bus Driver AM
 - Bus Driver PM

Students **MAY** be permitted to travel on a bus to one alternate address subject to the following conditions:

- If the service requested occurs on a consistent schedule (i.e. daily or every Monday)
- If the request can be accommodated on an existing route and stop
- If the bus can accommodate extra passengers
- If located within the assigned school zone

Please note: this is a courtesy and services may be withdrawn if conditions change such as route or load levels

Classroom Expectations

- I respect myself, others and the environment.
- I am responsible for my belongings and helping to keep our classroom clean.
- I listen to the person talking without interrupting or disrupting.
- I will raise my hand to contribute to classroom discussions.
- I will always give my 100%.
- RESPECT is my number one expectation at all times.

Homework Expectations

A reasonable amount of homework provides an important means to support in the following ways:

- 1) It can periodically allow children to complete unfinished work at home.
- 2) It gives parents an opportunity to reinforce literacy or math facts that have been taught at school.

Homework assignments can be viewed daily in the student agenda. Any important communication between parents and teachers can be recorded in the student agenda.

Homework should take about 10 minutes for each grade level. For example, grade three, $10 \times 3 = 30$ minutes for that evening.

Homework Expectations cont.

The classroom teacher will communicate the homework expectations. Homework is designed to reinforce and review work that has already been taught. Homework is to be completed in a reasonable amount of time and if there are any concerns about this, then please contact the classroom teacher.

Students Visits

- DATL students will be visiting Friday, June 2nd 9-11:30AM
- HRVES students are welcome to call the school to set up an appointment to visit any day afterschool with our admin assistant

Volunteer Opportunities...

1. Volunteer in our classrooms
2. Become a member of Parent School Support Committee - If you are interested in being a member of the PSSC please contact Mrs. Blanchard (Principal) or email psscchair@gmail.com
3. Become a member of the Home and School – If you are interested in being a member of the H&S contact Laura Marles (President) hes.homeandschool@gmail.com

Summer Reading

The research is clear that children who don't read during the summer can lose up to three months of reading progress and that loss has a cumulative, long-term effect.

<http://www.readingrockets.org/calendar/summer>

Topics:

- finding a great summer program
- strategies for summer reading for children with dyslexia
- day trips for book lovers

The ABCs of Improved Reading

Access to books. It's critical that kids have access to a wide variety of books over the summer months, but we know that access alone doesn't make a strong impact.

Books that match readers' ability levels and interests. For young people's reading skills to improve, they need to read books that align with their own reading levels. Reading books that are too easy or too hard won't help!

Comprehension, as monitored and guided by an adult, teacher or parent. The most important piece to making summer reading effective is the help of an adult who can ask questions and guide kids to better understand what they are reading.

With these three ingredients, your summer reading program will soar!

The Importance of Summer Reading

- Summer is a time to unwind from the hard work that was put in throughout the year. It is a time to have fun with family and friends. Because children view summer as a vacation from school, it is important to create an atmosphere where reading and writing can be fun activities.
- The first stop can be to your local library where each summer they host a Summer Reading Club. Children have the opportunity to incorporate reading with fun games and crafts. You can register now for their 2016 Summer Reading Club at <http://www1.gnb.ca/0003/src=cle/2016/en/index-e.asp>
- Having fun books at home is another great way to motivate children to read. Yard sales and your local library are an easy way to stock up on books for summer. Scholastic also has a flyer out right now called Camp Read-A-Lot with 63 titles for \$5.99 and under. You can ask your teacher about the flyer or access it here http://www.scholastic.ca/clubs/images/0A16/P0A16_N.pdf
- Nonfiction books are quite popular with many children. There are a number of great websites that offer non-fiction options for students. <https://newsela.com/> provides hundreds of news articles for students in grade 2-12 (choose the articles drop down, select kids and then select your grade level). You can find a list of award winning nonfiction books at <http://www.ncte.org/awards/orbispictus> .
- It is just as important to keep your child's writing skills sharp over the summer. Have them write a postcard from a trip you've taken or help you make your grocery list for the week. Writing in a journal about all the adventures they've had over the summer will also provide loads of writing ideas for the upcoming school year.

Changes over the summer? New student? Questions?
