## National Random Acts of Kindness Day:

Wednesday, February 17th

A Random Act of Kindness is a spontaneous or planned selfless act performed to either help or cheer up a stranger or someone we know for no reason other than to make people happier. We can do random acts of kindness any day but this is a special day to make a conscious effort to make someone's day.

## Heart Healthy School!

Our school has signed up to become a Heart Healthy School. What is that you say? Students and staff will be taking part in 4 five-day long challenges or awareness campaigns from February to May to promote the following heart healthy messages:

- 5 fruits and vegetables each day
- 2 hours or less of screen time
- 1 hour or more of physical activity
- 0 sugar-sweetened drinks.

## Celebrating 100 Days of School– Mon. Feb.14

An interesting way to incorporate real math into school is to celebrate the 100th day of school. Our teachers incorporate the ideas into their daily activities. They begin with the first day of school and end on the 100th day which usually falls mid February. This year the 100th day of school will be celebrated during the week of February 15th. The teaching opportunities prior to the actual day are endless. The children (depending on grade) learn to count by ones, twos, fives, and tens. A variety of activities take place on the 100th Day.
