

NBIAA Insurance Information for all sports except Hockey

Who qualifies?

Any member of a NBIAA School Athletic Team at a practice or a game during your season

How do I Apply for coverage?

1. Forms are available from the NBIAA Website, under “publications”, go to insurance and download the medical or dental forms. (Note: Hockey insurance is different: see below) Fill in the information sheet (page 1). Please omit the club section.
3. Have a Physician fill in the medical form (page 2).
4. Send completed form along with any invoices for expenses you incurred to New Brunswick Interscholastic Athletic Assoc.

By mail:

NBIAA - ASINB
Marysville Place – 1st Floor, 20 McGloin Street
Fredericton, NB E3A 5T8

5. The school **does not** take any medical/physiotherapy receipts. You must send them to your own provider first and then the balance not paid could be covered by the NBIAA insurance once the claim is opened.

When will the coverage kick in?

You will receive a letter directly from the insurance company to show that a file has been opened. The NBIAA insurance is a secondary insurance to your own. You must send your receipts into your own insurance provider first, and then to the NBIAA insurance company. If you do not have coverage, you must provide a letter stating so from your insurance provider before sending them to the NBIAA insurance company.

Hockey Info:

Hockey players can download an insurance form directly from the Hockey NB or NBIAA websites.
