

KVHS – School Improvement Plan

Vision: All students will achieve academic success and become responsible, resilient citizens prepared for the challenges of the 21st century.

Mission: Our mission is to provide a safe, nurturing, and inclusive culture of learning, one in which all students are connected to the school community. We believe that all students can learn. We believe that every student deserves a champion. At KVHS, we believe that true strength is developed through knowledge, values, and both physical and mental health.
