Grad Write-Up

Each line counts as one character. Characters include letters, spaces, punctuation, etc. Write exactly as you want it written in the yearbook; we will not be proofreading for grammar errors. If you need examples of write-ups, ask your advisory teacher. Remember that you and many others will be looking back at this for years to come, so make it memorable! **If your write-up is not school appropriate, you will be asked to write a new one or it will not be included in the yearbook.**

Write-ups should be submitted by **January 31**. If not submitted, we will be contacting you until you have done so. **All graduates must submit a write-up.**
