# Course Request Form

**Kennebecasis Valley High School**  
**Grade 11 & 12 Course Request Form**  
**2022-2023**

## Fine Arts/Life Role Credit

**Students must earn one credit from this grouping for graduation.** Students may choose additional courses from this group if they wish. Some courses are by application only. Please complete the application form, but DO NOT select it as one of your 12 credits. Students are encouraged to take more than one course from this category!

## Mathematics

**Students must pass either Foundations of Mathematics 11D or Financial and Workplace Mathematics 110 in order to graduate, plus one additional math course.**

**Recommendation:** Have a conversation with your current GMP10 or NF10 teacher for their recommendation for appropriate Grade 11 Math course.

Students are encouraged to take additional math courses, especially those who are thinking of attending post-secondary programs related to Business, Science, Engineering, Nursing, Health Sciences, etc.

---

**Advisory:**

In Grade 11 and 12, students request 10 credits. Credit values are given in the column to the right of each course name. Please read directions at the beginning of each section with care. Check your selected credits/courses in the column provided.

Students must request 2 additional courses to be used as the alternates should one of the original 10 requests not be possible.

**English Language Arts**

Students must pass both English 11 courses and use English 12 to graduate. Recommendation: Have a conversation with your current English 10 teacher for their recommendation for appropriate Grade 11 English level.

</table>

**French Language Arts**

French Immersion students must complete French Language Arts 110 in Grade 11 and French Language Arts 120 in Grade 12. French Immersion students must complete FIVE French credits in their Grade 11 and 12 years (combined).

A request will automatically be selected for you based on your program enrollment at Grade 10. It will count as 1 credit.
Course Request Form

ELECTIVE COURSES
Students need a total of 16 credits to graduate.
The additional credits may come from any of the categories previously listed or from the elective courses listed below.
Please note that you need a minimum of 9 grade 12 courses to graduate.

ADVANCED PLACEMENT COURSES
✓ Course Credits
  AP Biology 120 1
  AP Calculus AB 120 1
  AP Chemistry 120 1
  AP English Literature 120 1
  AP English Language 120 1
  AP Human Geography 120 1
  AP Physics 1 120 1
  AP Psychology 120 1
  AP Seminar (Must also request Independent Study) 1
  AP U.S. History 120 1

BUSINESS
✓ Course Credits
  Intro to Accounting 120 1
  Business Organization & Management 120 1
  Economics 120 1
  Hospitality & Tourism 110 1
  IDEA Centre 1

FAMILY STUDIES
✓ Course Credits
  Child Studies 120 1
  Early Childhood Services 110 1

HUMANITIES
✓ Course Credits
  Canadian History 122 (Prereq: MH 122) 1
  Canadian Issues (Prereq: MH 112 or MH111) 1
  Indigenous Studies 120 1
  Lit 120 1
  Political Science 120 1
  Sociology 120 1
  Visual Issues 120 (Prereq: MH 11) 1

LANGUAGES
✓ Course Credits
  Canadian Literature 120 1
  F/P/F, Media Studies 120 1
  Journalism 120 1
  Media Studies 120 1
  Past Intensive French 120 (Prereq: FP 110) 1
  Past Intensive French 120 (Prereq: FP 110) 1
  Spanish 110 1
  Spanish 130 (Prereq: Spanish 110) 1
  Writing 110 1

LOCAL OPTION COURSES
You may only choose two courses from this list to count towards graduation.

✓ Course
  Board Game Design 120 1
  Care and Maintenance of Vehicles 120 1
  Children's Literature 120 1
  Dance 110 1
  Gender Studies 120 1
  Introduction to Astronomy 120 1
  Japanese for Beginners 110 1
  Leadership 120 1
  Photography 120 1
  Philosophy 120 1
  Psychology 110 1
  Strategy in Sport 110 1
  Yearbook 120 1
  Yoga 110 1

PERSONAL INTEREST COURSE

10)
Alternate 1)
Alternate 2)
Information for Students Going Into Grade 11

What's different about Grade 11 from Grade 10?

The biggest change is the amount of choice you have in requesting your courses! It is important that you consider your options carefully before making requests because your courses will affect your post-secondary opportunities and all marks will be on your transcript.

What do I have to take in Grade 11?

- Two English Language Arts credits (one each semester):
  - ELA 111 Literary Texts and ELA Informational Texts, or ELA 112 Literary Texts and ELA 112 Informational Texts, or ELA 113 Literary Texts and ELA 113 Informational Texts. You must pass both sections before moving to Grade 12 English.
- Two Math credits:
  - Numbers, Relations and Functions (NRF)10 and Foundations (FDS) Math 11 or Workplace and Financial Math 11 and Workplace and Financial Math 12. FI/FSL students will take FI/FSL NRF 10 and FI/FSL Foundations in Math 11. Please see the note below about the Pre-Calculus Math elective.
  - Modern History 112 or 113. FI/FSL students take FI/FSL Modern History 112.
  - One science course unless a grade 11 science credit course was taken as an elective in Grade 10.
  - A minimum of one Fine Arts/Life Role Development course.
  - FI/FSL students must take FI/FSL Language Arts 110 (early or late).
  - FI/FSL students must make sure they take five FI/FSL courses over Grades 11 and 12.

What are the different math courses?

- FI/FSL Pre-Calculus or Pre-Calculus Math 110, Pre-Calculus 120A and 120B and Calculus 120 are for students who want to pursue university studies in business, engineering, or science. Students taking Pre-Calculus 110 must first take Foundations 110.
- Foundations Math 110 and 120 are for students who want to pursue other university or college programs.
- Workplace and Financial Math 110 and 120 are for students who want to enter the workforce after graduation, or go into an apprenticeship, or enroll in most one-year college programs.

What do the numbers mean after the course names?

- Level Two is the standard university prep level.
- Level One meets the same outcomes as Level Two but moves at a quicker pace and is more in-depth. This course is only for students who have demonstrated the attitude and aptitude for more challenging work in these subject areas.
- Level Three is for students who want to enter the workforce after graduation, or go into an apprenticeship, or pursue a one-year college program. Students who take a course at Level Three will not be permitted to take the next course at Level Two. For example, a student who successfully completes English Language Arts 113 cannot take English Language Arts 122, they must take English Language Arts 123.
- Level Zero means there is only one level of this course. In most cases, this means that the course
COURSE LEVELS

English 112
COURSE LEVELS

Writing 110
Course Levels

Level 1 = University prep

Level 2 = University/College prep

Level 3 = College Prep
Level 0 = One level only

**Writing 110**
- Everyone can take this course
- Some 120 courses can count as university admissions electives

**AP English 120**
- Special course. AP means ‘Advanced Placement’ and a university level course
How will you know what level to choose?

Ask your subject teacher for their advice and consider your passion for the subject.
Course Pre-Requisites

Keep in mind that you need to successfully complete some courses before you can take another...

Examples:
You need courses in Grade 10 to take some courses in Grade 11

• You need Science 10, GMF 10 and NRF 10 to take Chemistry 11 or Physics 11.

• You need Civics 10 before doing a History credit.

Other Grade 11 and 12 courses have prerequisites

• For example: You need Chemistry 112 to take Chemistry 122
YOU NEED TO REQUEST

- 10 COURSES + 2 ALTERNATES
YOU MUST REQUEST ...

- 2 English (2 credits)

  English 111 - Lit. Text & Info Text
  or
  English 112 - Lit. Text & Info Text
  or
  English 113 – Lit. Text & Info Text
STUDENTS REQUIRE 2 MATH CREDITS TO GRADUATE

Numbers Relations and Functions Gr. 10 and Foundations Math 110 or Financial and Workplace Math 110

--OR--

Financial and Workplace Math 110 and Financial and Workplace Math 120 or NBCC Skilled Trades Math 120

YOU MUST REQUEST:

At least one grade 11 math.

NBCC Skilled Trades Math 120 is an additional math course open to students
YOU MUST REGISTER FOR

1 semester of History:
Modern History 112/113, Indigenous Studies 120, World Issues 120, Canadian History 122
or Ancient and Medieval History 112 (only for students currently in Grade 10).

OR

FI Modern History 112, FI Indigenous Studies, FI World Issues, FI Ancient and Medieval History 112
(French Immersion Program Only)
Immersion Students must take:

FI/FSL (Gr. 3 Entry) Language Arts 110
Or
FI/FSL (Gr. 6 Entry) Language Arts 110

FI/FSL Language Arts 120
+ 3 other courses in French during Grade 11/12
ONE science credit is required for graduation:

Automotive Electrical Systems 120
Biology 111 or 112
Chemistry 111 or 112
Human Physiology 110
Physics 111 or 112
Intro to Environmental Science 120
Intro to Electronics 110
Students must have one **Fine Arts/Life Role** credit to graduate:

**FINE ARTS/LIFE ROLE:** Must have **one** course from the following list:

- Auto Electrical Systems 120 *(note: if used as a Science credit, it cannot also be a Fine Arts/Life Role credit)*
- Co-op Ed 120 *(2 or 3 credits)*
- Culinary Technology 110
- Culinary Technology 120
- Electrical Wiring 110
- Entrepreneurship 110
- Fashion Design 120
- Fashion Technology 110
- FI/FSL Culinary Technology 110
- FI/FSL Culinary Technology 120
- FI/FSL Ind Family Relations 120
- FI/FSL Intro to Applied Tech 110
- Fine Arts 110
- Framing and Sheathing 110
- Graphic Arts & Design 110
- Housing and Interior Design 120
- Individual & Family Dynamics 120
- Internal Combustion Engines 110
- Intro to Applied Technology 110
- Metals Fabrication 110
- Metals Processing 110
- Metals Processing 120
- Mill and Cabinet Work 120
- Music 111/112, or 122
- Nutrition and Healthy Living 120
- Outdoor Pursuits/Education 110
- Physical Education Leadership 120
- Power Train and Chassis 110
- Reading Tutor 120
- Residential Finish 120
- Theatre Arts 120
- Tune-up and Emissions 120
- Visual Arts 110 or 120
- Wellness 110
ELECTIVES

➢ THE REMAINDER OF YOUR COURSES ARE YOUR ELECTIVES...

➢ PLAN YOUR ELECTIVES CAREFULLY TO MAKE SURE THAT YOU HAVE THE COURSES YOU NEED WHEN YOU GRADUATE IN ORDER TO CONTINUE YOUR STUDIES

➢ YOUR ELECTIVES ARE NOT GUARANTEED. KEEP IN MIND THAT YOU MIGHT NOT GET ALL THE ELECTIVES THAT YOU WANT.
COURSES THAT REQUIRE APPLICATION FORMS

- Cooperative Education 120
- Reading Tutor 120
- Yearbook Staff
- Physical Education Leadership 120

TO SUMMARIZE.....

➤ You need 18/22 courses to graduate
COURSES REQUIRED FOR GRADUATION

- English 11 (2 credits, one each semester) and English 12 (one semester)
- 2 Maths
- 1 History
- 1 Science
- 1 Fine Arts/Life Role

8 COMPULSORY CREDITS
+10 OPTIONS

18 TOTAL

- 5 Credits must be at the Grade 12 Level
- Must Pass English Language Proficiency Assessment
- Students may only count 2 Local Option courses toward graduation.
Graduation Requirements Sheet

Graduation Requirement Checklist

Student's Full Name: ____________________________ Date: ____________

Is the student's full legal name on the transcript?  □ Yes  □ No

- If No, please write full legal name on TRANSCRIPT and turn in to the office ASAP.
- Students must successfully pass eighteen (18) grade 11/12 credits which may include NRF 10.
- Students must successfully pass the ELPA (English Language Proficiency Assessment).
- Students cannot substitute an AP course for one of the required courses

ENGLISH LANGUAGE ARTS: Must have **both** courses below:

- English Language Arts 111/112/113 (Info + Lit, 2 credits)
- English Language Arts 121/122/123 (1 credit)

FINE ARTS/LIFE ROLE: Must have **one** course from the following list:

- Auto Electrical Systems 120 (note: if used as a Science credit, it cannot also be a Fine Arts/Life Role credit)
- Co-op Ed 120 (2 or 3 credits)
- Culinary Technology 110
- Culinary Technology 120
- Electrical Wiring 110
- Entrepreneurship 110
- Fashion Tech & Design 110
- Fashion Tech & Design 120
- FI/PFL Ind Family Relations 120
- FI/PFL Intro to Applied Tech 110
- Framing and Sheathing 110
- Graphic Arts & Design 110
- Housing and Interior Design 120
- Individual & Family Dynamics 120
- Internal Combustion Engines 110
- Intro to Applied Technology 110
- Intro to Writing 110
- Kitchen & Bath Design 110
- Landscaping and Turf Management 110
- Mill and Cabinet Work 120
- Music 111/112, or 122
- Nutrition and Healthy Living 120
- Outdoor Pursuits/Education 110
- Physical Education Leadership 120
- Power Train and Chassis 110
- Reading Tutor 120
- Residential Finish 1
- Theatre Arts 120
- Tune-up and Emission
- Visual Arts 110 or 1
- Wellness 110
- Human Physiology 110

MATH: Must have **two** courses from the options below:

- Numbers, Relations & Functions 10
- Foundations in Math 110 or FI Foundations in Math 110
- Finance and Workplace Math 110
- Finance and Workplace Math 120

HISTORY: Must have one of the following courses.

- Modern History 112
- Modern History 113
- FI Modern History 112
- Ancient & Medieval History 112
- FI Ancient & Medieval History 112
- World Issues 112
- FI/PFL World Issues 120
- Indigenous $

SCIENCE: Must have **one** course from the following list:

- Advanced Environmental Science 120
- Automotive Electrical Systems 120
- Biology 111/112, 121/122
- Biology 111/112, 121/122
- Chemistry 111/112, 121/122
- Chemistry 111/112, 121/122
- FI Biology 112
- FI Physics 112
- Intro to Environmental Science 120
- Intro to Physical Science 110
- Microeconomics 120
- Microeconomics 120
- Physics 111/112, 121/122
- Physics 111/112, 121/122
- Robotics & Automated Technology 120

FRENCH IMMERSION: FI students must have **five** FI credits through their Grade 11 & 12 years.

- FI Language Arts 110 (Course #1)
- FI Language Arts 120 (Course #2)
- FI Course #3
- FI Course #4
- FI Course #5

LOCALLY DEVELOPED COURSES: May only include up to **two** of the following in your required eighteen credits.

- Dance 11/12
- Gender Studies 120
- Intro. To Astronomy 120
- Japanese for Beginners 110
- Board Game Design 120
- Maintenance Auto 110
- Philosophy 120
- Photography 120
- Children's Literature 120
- Strategy in Sport 110

GRADE 12 ELECTIVES: Must have **four** more Grade 12 courses.

- Course #1
- Course #2
- Course #3
- Course #4

ADDITIONAL ELECTIVES: Must have **six** more Grade 11 or 12 courses to bring your total to eighteen.

- Course #1
- Course #2
- Course #3
- Course #4
- Course #5
- Course #6

Passed ELPA?  □ Yes  □ No

Number of credits completed to date: /18

Graduation Granted:  □ Yes  □ No

Revised February 24/23
You need to think about the future!

If you know where you’re going, you will pick the right courses from the beginning.

We have had some students realize that they don’t have what they need to get into a particular University or Community College program... and have had to upgrade courses after graduation.

Want to get an early start? You can take an online course for the month of July through NBVLC.
PERSONALIZE YOUR LEARNING

Options for Credit are opportunities to have flexibility in your class schedule to explore interests and work toward educational and career goals.

What do you want to learn? What topics and experiences are exciting and engaging for you?

Working with your teachers, administrators, and school counsellors will help you determine the best options for you!

CHALLENGE FOR CREDIT
PERSONAL INTEREST 1 & 2
INDEPENDENT STUDY
DUAL CREDIT COURSES
EARLY START CREDITS

Flexible Options for Credit for High School
PERSONALIZE YOUR LEARNING

**CHALLENGE FOR CREDIT**

I WANT TO...
Get credit for learning I have acquired outside of the classroom!

Talk to an administrator or school counsellor about submitting a Challenge for Credit Notice of Intent and Letter of Agreement form to your principal for any credit course. Two challenges can be used as credit towards graduation. “Fast track” options allow you to get a credit by simply submitting proof of completion.

**PERSONAL INTEREST 1 & 2**

I WANT TO...
Explore a personal interest or passion!

In Personal Interest 1 and 2, you have the opportunity to pursue an individual interest or passion. You will determine the focus of your learning with help from teachers and other mentors in the school or local/global community.

Your school may offer this as a class, or you may apply to complete the course independently.

**MAKE YOUR OWN PATH**

**INDEPENDENT STUDY**

I WANT TO...
Develop my own course outcomes and dig deeper into a topic of interest!

Independent study is an opportunity to extend learning beyond your high school courses by developing your own course! You will work with a supervising teacher or mentor to create learning outcomes, activities, and a plan for how your work will be assessed. This is a great chance to build skills to support lifelong learning!

**DUAL CREDIT COURSES**

I WANT TO...
Get a head start on my future educational goals!

A dual credit course allows you to earn both high school credit(s) and credit(s) or program recognition toward a post-secondary certificate, diploma, degree, or Certificate of Apprenticeship.

Examples of current options include:
- NBCC Skilled Trades Math

**EARLY START CREDITS**

I WANT TO...
Take a course at a college or university!

With Early Start Credits, Grade 12 students who are on track to graduate can take an online course from UNB, STU, Mt. Allison University, NBCC, or Crandall University. Tuition costs apply, although funding options are available. Your school counsellor can direct you to the list of courses from each institution and help you get registered.

Current “fast track” options include: CADET level 4, Scout Exploration Activity Award, Duke of Edinburgh, Imagine NB, National Lifesaving Society, Girl Guides Trailblazer Award, Coach NB, Junior Achievement, Université de Moncton Explore Jeunesse and Junior High Programs, the Immersion Program of Université Saint-Anne, and Les Jeunes chanteurs d’Acadie.
New Brunswick Requirements

- English 122/Français 1041
- Pre-Calculus A 120/Mathématiques 30331C*
- Pre-Calculus B 120/Mathématiques 30411C
- Chemistry 122/Chimie 52411
- One of Biology 122/Biologie 53411, Physics 122/Physique 51411 or another provincially approved science**
- One elective – Group 1 or 2
- Minimum admission average 75%
- *Mathématiques 30411B is acceptable for admission. However UNB strongly recommends Mathématiques 30331C as the preferred pre-requisite to Mathématiques 30411C.
- **Biologie 53421 and Physique 51421 are acceptable for admission.
- ***Senior-year Mathematics, Chemistry and another approved science course are required for admission to this program. The average of the marks in senior Mathematics, Chemistry and the best other science course must be at least 75%. Students who present only Chemistry will be considered at the discretion of the Faculty.
- *Students who do not meet the admission requirements for direct entry to the Bachelor of Science degree program, but offer a minimum admission average of 70% may be given conditional admission into an entrance program to the extent that capacity allows.
Post Secondary Admissions Requirements – Examples
UNB Sciences

Group 1
- Anglais 22411
- Astronomie 55411
- Biology 122
- Biologie 53411/53421
- Calculus 120
- Canadian Literature 120
- Chemistry 122
- Chimie 52411
- Computer Science 110 or 120
- Co-op Education 120
- Droit 86411
- Economics 120
- Économie 44411
- Éducation coopérative 88411

Group 2
- Introduction to Accounting 120
- Accounting 120
- Accounting 120 (computerized)
- Business Organization & Management 120
- Comptabilité 84411
- Marketing 122
- Native Studies 120

Group 3
- Art 110 or 120
- Art 91411
- Creation Musicale 92421
- Communications 120 (Media Studies 120)
High school applicants must meet the following minimum requirements for admission to the Bachelor of Arts program at St. Thomas University:

- high school graduation (by end of August of the year in which students apply);
- minimum average of 70% on five successfully completed Grade 12 academic courses, one of which must be English 122;
- four remaining academic electives chosen from the list below (please note that, where they exist, Level 1 courses and any of the following electives offered in a French Immersion program, are acceptable as substitutes for courses listed below).

- Biology 122
- Calculus 120
- Canadian Geography 120
- Canadian History 122
- Canadian Literature 120
- Chemistry 122
- Computer Science 120
- Mandarin 120
- Media Studies 120 OR Communications 120 OR Digital Productions 120 OR Journalism 120 OR Broadcast Journalism 120 OR FI Techniques de Communication 120 OR Women, Media and Culture 120 OR Gender, Media and Culture 120
- Modern History 112
