

LAKEFIELD ELEMENTARY SCHOOL

June 2020

Dear Parents of Current Kindergarten Students,

We will be the grade one (English) teachers at Lakefield Elementary School for the 2020/2021 school year, and we are looking forward to teaching your child! We wanted to let you know that it is **not** necessary for you to shop for school supplies for the first grade. We will do all of the bargain hunting for you! We will purchase the notebooks, pencil cases, pencils, crayons, markers, scissors, white and stick glue, duo-tangs, paper, labels, Ziploc bags, tissues, special craft supplies, scrapbook, etc. which your child will use in grade one, and we will collect payment for these items from you in September. The cost will be \$50. Parents are also asked to pay a \$20 school activity fee (for performances, skating, etc.) for a total of \$70. This will be payable at the beginning of the school year, through our cashless school payment system.

You will need to provide your child with a pair of indoor sneakers which will be kept here at school. We suggest velcro or zippers, as this will make the process of changing footwear go much faster. The children change their footwear 6 times during each school day, and it is impossible for us to tie shoes for everyone in a timely fashion. We appreciate your cooperation in making sure your child is able to change his/her footwear on his/her own. You will need to provide a backpack, water bottle and lunch box for your child as well.

Have a wonderful summer! We will see you in September!

Sincerely,

K. Taylor, T. Meahan
