

Good afternoon families of grade 10, 11, and 12 students,

Attached are the course registration forms for you to look at before coming to school on

Thursday May 7th. Mrs. McFadden will be at a table with hard copies available for you to fill out

or answer questions you may have with regards to course selection. If you have questions you

would like answered before Thursday please do not hesitate to email or call her for

clarification. There is a form for each grade, one is for the English program the other is for

French Immersion. On the back are the electives organized by grade. At the bottom of the

form in smaller print is has graduation requirements.

Please reach out if you have any questions.
