

Unpaid students fees to date

I am sharing this information with you because we rely on student fees to bring in speakers and to run special events at the school. We use the fees to purchase lunches for students who require additional support. Student fees also cover the cost of having a locker, student agenda for middle school, a student ID card, and helps the Student Council purchase and finance a host of programs, activities, materials and bussing.

We currently have 65 students who have yet to pay their fees resulting in lost potential revenue of \$2,925.00. Funds that go directly back to the kids through activities, field trips and events. Mr. Chaisson is reaching out to you today to share with you what students fees are used for in the school. It is not a judgement as he understands that for some families this fee is not possible to pay. BRHS and BES Home and School also saw fit for this information to be shared with all its families.

Thank you again for your continued support as your children attend the “best school in the world, with the best kids in the world being taught by the best teachers in the world.”

Have a great evening
