

Middle School Girls' Volleyball

The team has received a schedule of games for the season. They will be playing five home games and two away. On the days we play away, we will leave the school as soon as buses leave. We will add practices, most likely on Wednesdays when league play begins.

Parents will be responsible for transportation for any away games. If a team player cannot make it to a game, it is important to let me, or Ms. Driscoll know as soon as you are aware that you are not going to make it to a game. We have players who can take the place of absent team members if we have notice.

There will be a **small charge of \$20.00 per player** to help pay for officials and scorekeepers. If this is a hardship for your family, please let me know. **Payment is due April 17 (before the first game) and can be paid with school cash online.**

Players will be responsible for jersey care during the season and will be expected to pay for the replacement if it is lost or damaged. The jerseys will be collected after our last game and washed at the school. If a player forgets their gear, they cannot play that day.

A reminder that student athletes are expected to maintain a high level of academic achievement and classroom behaviour. Students will be removed from the team if high standards are not maintained.

Spectators are permitted and welcome to come to games. Thanks for your support.
