Grade 7 Public Health School Immunization Clinics

Dear Parent/Guardian:

Horizon Health Network Public Health will be offering the following two vaccines to all grade 7 students this year:

1. **HPV** (protection against Human Papillomavirus) in two doses, six months apart.
2. **Tdap** (protection against whooping cough, diphtheria and tetanus) in one dose.

Please:

1. Read the enclosed information for both vaccines.
2. Complete the consent/refusal form. **A signature is required for each vaccine on this form.**
3. Return the consent form to your child's homeroom teacher within one week.

The consent should be returned whether the student is being immunized or not.
