7	<p>Discussion:</p> <ul style="list-style-type: none"> Hybrid Parent-teacher meetings: PSSC members agreed that the hybrid format works well and offers working parents more options to attend. Communication: Ms. Gaunce noted that there was less communication with parents at the high school level. It was suggested that at the Middle School level, parents could be advised on how to learn about upcoming events (school website, Facebook, voicemail) so they are prepared for September. Sport absenteeism: Many non-school sport teams require students to attend tournaments every Friday. It was suggested that parents and students attend a code of conduct pre-meeting before the season starts (expectations, equal playing time, no drugs/ETOH.) Absenteeism at HHS/other high schools: Many students struggle to attend regularly. Interventions are in place to support students who miss many days to catch up on essential learning (Math/reading). Principal to look at numbers for HHS next meeting. Staff appreciation: To be held in the last week of February for 80 staff. ACTION ITEM: Angela Perrin to circulate a sign-up list for PSSC members to support treats for staff. 	<p>PSSC</p> <p>M. Gaunce</p> <p>Amber Lenihan Lingley</p>
