

PRINCESS ELIZABETH SCHOOL

PRIDE - EFFORT - SUCCESS

THIS WEEK

Week of January 25th – 29th

- Panther of the Month assembly
January 29th

The theme for January is 'Being a Good Citizen'. We will be recognizing and focusing on this all month! Ask your student what they have learned about this theme! Share your discussions with us over on twitter @PESpanther 

Bingo!

Family Bingo will run from February 1 to February 11, 2021. Families will complete as many activities as they can, and colour in the squares as completed then return to their homeroom teacher. Each line equals one ballot for our Family Day draw on February 12th! Each class will have a family drawn for a Family Day Fun Prize Pack!....board games and treats 😊 We are sending the BINGO card home as an attachment to this newsletter in case any families want to start early.

Drumming!

We've been busy in the gym this week learning how to keep rhythm while moving our bodies drumming on stability balls. Make sure to ask your Panther all about it!

Screen Challenge

We have opted to hold off on our school wide decreased screen challenge for the moment. To make it as successful as possible we want to wait until we are out of the Red Phase of Recovery.

Dates to look forward to:

- February 8th kick off to Student Appreciation Week!
- February 15th Family Day, no school for students

Thanks Panthers for reading this week, see you next week.
