Good afternoon, Panther families! This is Greg Norton writing from PES, with a few updates regarding upcoming events at Princess Elizabeth School for Monday, April 24th – Friday, April 28th.

The immunization clinic for Grade 7 students to receive their 2nd HPV vaccine is scheduled for April 28th. Public Health will use the consent forms returned to the school at the beginning of the school year. If your student missed the fall clinic, they could receive immunizations at this clinic with parent consent. Please remind your student to eat a good breakfast and wear a short sleeve shirt on the day of the clinic. If you have any questions, contact Cailin Jackson, RN @ 506-647-2617.

Grade 8 Students: Laptop Subsidy Program

The Department of Education and Early Childhood Development Bring Your Own Device program is for students in grades 9 to 12. A laptop or tablet is a required tool to support learning in these grades. This program will allow for more personalized learning opportunities to help better prepare students for post-secondary education and the workplace. Under the program, parents and guardians can choose between purchasing a device and applying for reimbursement or applying for a subsidy code and ordering a laptop through IMP Solutions. Depending on your household income, your child could qualify for between \$200 to \$600 of subsidy. For the full details of this program, including the criteria for eligibility and required device specifications please visit: [Laptop Subsidy Program \(gnb.ca\)](http://Laptop Subsidy Program (gnb.ca))
