

Dear Seaside Park Elementary Families,

Interested in participating in our school community? We're looking for parents/guardians of students in our school to join our Parent School Support Committee (PSSC).

The PSSC is a group of 6-12 members who work in a supportive, advisory, and collaborative fashion with myself and staff to ensure the best possible learning opportunities for students. PSSCs have input on school environment and the School Improvement Plan, and review school data.

Why become involved? Joining a PSSC offers opportunities for personal growth and professional development, such as:

- Networking
- Having your opinions and voice heard in your school and community
- Development of new skills, such as innovation, strategic thinking, change management, and conflict resolution

Please reach out to me if you have any questions or would like to join us! Further information about PSSCs can be found on the [DEC website](#) under PSSC.

Mrs. Jocelyn Myatt, Principal
