School Supplies/Fee 2018-2019

In collaboration with Staff, Parents (recent survey results), Parent School Support and the Home & School Committees, Blacks Harbour School is continuing this year with the school supply fee of \$42.00, instead of parents having to purchase school supplies individually.

BHS is now collecting the school supply fee for the 2018-2019 school year. Collecting the supply fee now enables the school to purchase all school supplies for students through bulk purchasing during the summer. For the upcoming school year we will be collecting of \$42 for all K-5 students, which includes the cost of an agenda.

There are several benefits of this program which includes:

- There is increased consistency in quality between classrooms
- Schools are able to group order supplies
- This will be cheaper for families... due to the increased cost of supplies, school supplies are costing parents an upwards of \$75/child.
- This will lessen the stress on parents having to go out and purchase these supplies.

Please note: This will cover all supplies and student fees including student agendas.

The only items you will need to purchase and send to school in September are:

- Lunch bag
- Book bag
- Indoor sneakers

Warm regards,
Principal

Mrs. JoAnn Schwarze
