HAPPY NEW YEAR! Last year was filled with lots of exciting learning experiences for students at BHS and this year proves to be even better as teachers have many engaging activities planned for students.

Throughout Autumn many folks in our school community were absent due to illness. Hopefully all those sick days are behind us so we can be present every day and participate in all the wonderful learning activities we have planned. Try to line up vacations and doctors' appointments with the school's schedule whenever possible. You can find the school calendar on the ASD-S Website. School absences spike in the weeks before and after winter break. It's tempting to extend your vacation by a few days, but remember, those days count as absences and learning happens every day.

Thank you for your ongoing cooperation and support.

Sincerely,

Tammy Surette  
Principal
