Community Garden

Attention families and Community Members!!

Deer Island Community School would like to start a community garden this spring. We have a great area behind the school and are looking for someone who might have a tiller to turn up the soil. The sooner we can get this done, the sooner we can get the students involved in the initial planting.

If you have a tiller and would be willing to help us out with this endeavor, please contact the school at 747-7003.

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.

Safety/Respect/Responsibility Bracelet Program

Next week's theme: SAFETY

Students will be reviewing safety by reviewing gym safety rules during PE and indoor recess
