# Student Work

## The Meadow

In summer  
I bike to the meadow  
with my backpack,  
full speed,  
lots of friends  
hiding under the dock in the water  
the splashing  
echoes across the meadow,  
making ripples run across the water,  
laughter filling the air.

In winter  
driving past the meadow,  
seeing people skating,  
four wheeling and snowmobiling.  
The meadow is a shining, blue and white  
sheet of ice.  
Seeing the snow blow  
and swirl in the air  
like a leaf caught in the wind.

In spring  
the ice begins to melt, the edges always melt first.  
People getting ready to go fishing,  
the docks begin to move  
the water appears green.
