Peanut/Nut Free School

We would like to thank all those parents and students who are making a conscious effort to help make our school peanut/nut free. We realize that this won't happen overnight, and that educating both parents and students, as well as our staff, is key. Our students are becoming very conscientious about this issue and have been very supportive. Staff will be placing a colored notice in lunchboxes where peanut/nut products are found. These are simply friendly reminders to parents and guardians.

Thanks again for your consideration with this matter.
