## Student Collaborative Work

Poem that grade 4/5 came up with as a group:

I like the Bay of Fundy  
where the boys and girls all swim,  
where they bob about like buoys  
until the sky goes dim.  
While they younger ones stay close to shore  
within their parents gaze,  
the older kids go diving  
beneath the ocean's waves.  
I like the Bay of Fundy,  
where the fishermen set traps,  
where the lobsters crawl on bottom,  
and hide in the rocky gaps.  
From November to December,  
and back again in May,  
these men and women are hard at work  
in the salt air every day.

## Science Fair/100 Day
