## Children's Stage Adventures

On Monday, January 21<sup>st</sup>, Children's Stage Adventures will be arriving at our school to collaborate with students and staff to produce the play "***Cry Wolf***" that will be performed for the community on Friday, January 25<sup>th</sup>. This production will include all of our students and will prove to be an amazing opportunity and experience for our school and community. It would be great to have some parent volunteers here for the latter part of the week and for the night of the show to help us with the organization and back-stage needs. *If you are interested, please call the school.* Permission forms and information will be sent home that week.

***\*Student attendance must be a priority for this week as intense auditions/rehearsals will be taking place for the majority of each day. If you know that your child will not be available for the Friday night production, please let us know by Monday, January 21<sup>st</sup>!***

*Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.*
