COVID-19 Update

As you are aware, we have moved to the Red Phase as of Tuesday, January 19th. Our students are doing an excellent job with adhering to the policies and procedures that come with this phase and continue to be as safe as they can at our school. If we were to move to the 'Lock Down' Phase, we would immediately transition to Home Learning, where students would be learning from home and teachers and school staff would be at school. Teachers and students are well prepared should this transition become reality. All students have usernames and passwords to access Teams from home. We understand that there are many internet issues on the island and teachers will do everything in their power to ensure that students continue to learn and make gains regardless of such obstacles. As well, we have prepared take-home bags for each student which contain helpful learning tools and materials. These bags have been sent home today. Obviously, we hope things won't come to this, but if it does, we are prepared!

Milk Jug Request

Please continue to send clean plastic 2 L milk jugs in to the school. *Thank you!*

Our Mission is that we will work collaboratively to ensure every child in our care becomes a lifelong learner prepared for academic and social success.

Safety/Respect/Responsibility Bracelet Program

Next week's theme: SAFETY

Even with our masks, we need to social distance as much as we can!

Winners of the Bracelet Celebration draw for January:

K-4: Keiran Pendleton
6-8: Brooklyn Richardson
