

PSSC Meeting

Piper Scalabrin

Debby Lord

Lori Mackenzie

Jelaine Anstey

Michelle Feeney

David O'Leary

Cathy Dunfield

Lee Smith-Powell

- We shared the School Improvement Plan; we have been working on this all year as a working draft.
- We also looked at the Highlights and notably our win of \$3000 prize from the Play exchange.
- Some of the Highlights information will go on the newsletter and the website.
- We went over the goals in the School Improvement Plan some of the plans we have in mind to reach these goals.
- On May 20th, we will be holding an off-site workshop with about twenty students to talk about school culture and values; with student input, we will then to create a matrix of expected behaviors. Bronwyn Tanner and Angela Keetch will be assisting
- We discussed our concern over drug use among students, and shared our plan to have Lisa Williams address Grades 9 and 10. (We have held six-week educational sessions on drugs with the Grade 8 class, using materials endorsed by the RCMP.)

Respectfully submitted by Cathy Dunfield
