Cross Country:

Congratulations to all cross country runners for their awesome dedication! They have been working hard and supporting their teammates. The final regular meet of the season will be held at 4:30 on Wednesday, Oct. 7 in Saint John.

Thanks Mr. Gumushel!

The magazine campaign begins on October 1 and ends on October 16. All funds raised will go towards special events at the school including musical performances, drama productions and other enriching events. If you do not wish to participate in this program, please feel free to make a donation to the school for special events. Please note that QSP will honour any sales coupon you have received (a renewal price on a current subscription, for instance). This must be stapled to the order and the sale price noted on the order. Please note that this cannot be done on-line. Please contact the school if you have any questions and thanks for your support.

SMART Class Needs You!

Thursday afternoons are an exciting time at VMES as the SMART class buddies are engaged in a variety of enrichment activities. We are looking for volunteers to share a talent or interest, or to assist with many of our ongoing groups. Volunteers can help for one day, or several.

Please call Mr. Gumushel if you would like to volunteer! 529-5011

Fire Prevention Week is Sunday, October 4th through to Sunday, October 11th. Fire Department officials will be visiting SMART classes during the month to talk about the importance of fire safety. A big thank-you to the St. Andrews Fire Department for their ongoing commitment to VMES!

Thank you for making a difference!

Our grade 4 bake sale and staff donations raised almost \$600 for the Jackson Family!

We donated more than \$300 to the Terry Fox Cancer Research Foundation on behalf of the students of VMES!

The VMES Home and School group is once again organizing popcorn sales every second Friday. Popcorn is sold for 25 cents during the morning recess. All proceeds are put towards school programs at VMES.
