Celebrations

Birthdays and other special occasions are important to children and we respect that having a party is one way to celebrate your child's achievements. In our efforts to strengthen inclusionary practices, we would ask that party invitations be mailed out or delivered from home. If you are inviting the entire class to a party or event, we are happy to pass them out at school. We appreciate your participation in helping us foster compassionate students at VMES!

Healthy Breakfast Snack Program

Snack buckets are placed in each classroom every morning and students can help themselves to the snack of the day. Snacks include fruit, veggies, yogurt, granola bars, etc. If any parents are interested in helping out please contact your child's teacher. Thank-you!

WOW Butter

Please put a note in your child's lunch if they have food that contains WOW butter or other nut-free alternatives. This is to ensure that our staff know

Due to the life-threatening allergies of some students VMES is nut-free. Thank-you for your cooperation.
