

At VMES:
Share, Grow, Succeed
Partager, Grandir, Réussir

Our mission as a school community is to provide challenging learning experiences for all which promote collaboration, creativity and critical thinking.

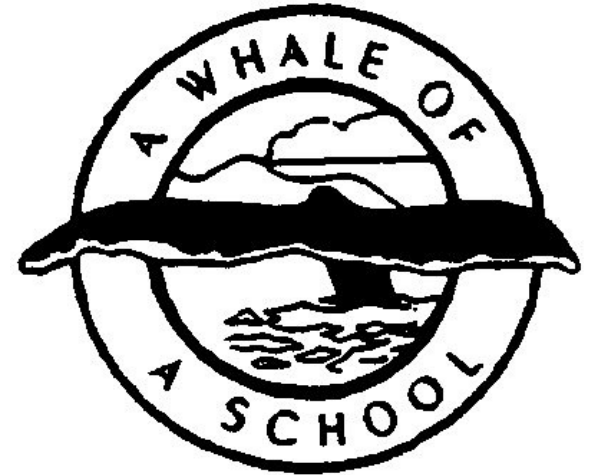

We do this by creating a safe supportive learning environment where learners can take risks. We do this so that we all become responsible for our own learning and feel valued.

VMES Student Led Clubs

Everything you need to know
about Student Led Clubs

Student Led Clubs

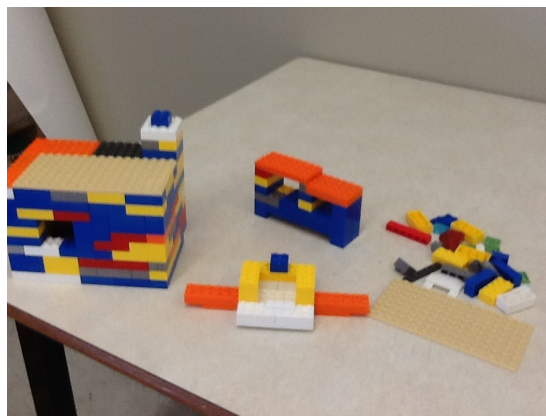

At Vincent Massey, we believe student-led clubs are a way for our students to share, grow and succeed. Everyone is encouraged to start a club to share their interests, talents and hobbies.

Steps to Starting a Club:

1. Discuss your club idea with your parents.
2. Discuss your club idea with your teacher and get an application form at the office.
3. Find a teacher to supervise your club and a room to have it in.
4. Fill out Club Application Form and submit it to Mrs. O'Leary for approval.

Student Leader

- Provide materials (bring Lego, etc)
- Remind students who sign up and supervisor that it is club day
- Be in attendance
- Be a positive leader (not too bossy)
- Organize clean up and storage
- Set and teach expectations/ norms/rules
- Make sure that ALL are welcome and involved
- Promote your club

Supervisor

- Ensure safety
- Be available (has supervision covered if away)
- Cancel club if leader is absent
- Ensure content is appropriate
- Make sure club leader remembers it is club day
- Has a copy of club member list
- Has a clean up/ storage plan

Why We Do This:

BUILDING STUDENT LEADERS
