Kindness Matters

VMES will be taking part in the Great Kindness Challenge during the week of Feb. 25-Mar 1. During this week, a checklist will go home with 50 kind deeds on it, and students are challenged to complete as many as they can throughout the week. We will also be doing some challenges and activities right here at school. With kindness, comes strength. Thank you for supporting kindness at VMES!

Celebrations

Birthdays and other special occasions are important to children and we respect that having a party is one way to celebrate your child's achievements. In our efforts to strengthen inclusionary practices, we would ask that party invitations be mailed out or delivered from home. If you are inviting the entire class to a party or event, we are happy to pass them out at school. We appreciate your participation in helping us foster compassionate students at VMES!
