

MESSAGE FROM THE ADMINISTRATION

It seems impossible to believe that this school year is going by so quickly. We've had some exciting events happening at SSES in the past couple of weeks!!

As we approach the end of this school year, we'll be busy with delivering curriculum, assessing student progress, planning engaging activities, and looking towards year-end events.

These last two months of school will be as exciting as the other months. We still have 20 % of the school year to complete and we look forward to continuing and maintaining high expectations for learning over the next several weeks as teachers and students work to complete the curricular outcomes for each grade level. We appreciate your support and acknowledge how your help from home certainly contributes to the success of the school year for each and every child.

Thank you and Happy Spring!

~Mrs. Colleen Winchester, Principal

~Mrs. Courtney Parsons, Vice Principal

Pay It Forward Day 2021

On Wednesday, April 28th, we lined our cafeteria and hallways to watch the cereal box domino challenge. Thank you to our school and community for supporting this Pay It Forward initiative. We are happy to report that two thousand boxes of cereal and a \$500.00 Superstore gift card was donated to our local food bank. Kindness is truly a domino effect. You can start a domino effect by committing one small act of kindness today.
