Welcome

Old Business-None

New Business:

Dianne Jones Comeau and Racheal Chambers gave a presentation on the New PBIS program that will be coming in the fall. It is a program that will acknowledge the children that always follow positive behavior expectations at school. This will not take away from the caught being kind/ 3 B's but will be a new and exciting form of a positive reinforcement tool for the school to use through positive behavior, interactions and support.

Home and School Committee update- The outdoor classroom is in the early phase of construction. Also there are a few fundraisers such as the iPad ticket sales and the Drive in movie night that is currently happening.

Principal's report: See attached file

Date set for the next meeting was set for May 19th at 7:00.

Meeting adjourned at 7:50 pm
