**Attendance:**

Krista Amos – Principal  
Jennifer Johnston – PSSC Chair  
Tammy Smith – PSSC Member  
Nicole Dufour - PSSC Member  
Bernadette Cunningham - PSSC Member  
Tanya Downey – PSSC Member

**Regrets:**

Bruce Richardson – PSSC Member

Budget – was discussed. \$1137.60. PSSC would like another guest speaker for students. Perhaps around anxiety/depression.

Vaping Presentation – Robb Holladay. Was very well received by students. Would highly recommend him for any school. Had 8 adults show up to evening sessions even though it was highly promoted for weeks. 5 of those adults were teachers, 3 were parents.

John Westhaver Presentation Zero Fatalities Tour- again, very well received by students. It was about taking risks and distracted driving. CICS joined SSHS for the presentation.

Breakfast Program – M. Anderson has started a breakfast program for students Tuesday's through Thursdays. Fresh fruit smoothies, hot oatmeal, breakfast sandwiches and cereal. Each item is \$2. There are punch cards worth \$10 that students can buy. Going very well.

TTFM Survey – will be completed next week with SSHS students and results shared at next PSSC

SIP Update – SSHS continues to work on the pilot project. SPR's and admin are working to prepare the roll out for January 6<sup>th</sup> with staff to determine goals. Will provide an update at next PSSC meeting

ELF- performance of ELF is next week. Shows are sold out. Over 100 students from three schools involved.

Crosswalk Sign – Admin and Jennifer Johnston (PSSC Chair) have been working regularly to get the cross walk sign back up in front of SSHS. It has been down since mid-July. Town reported that it should be installed on the 9<sup>th</sup> of December. Jennifer will continue to check on it.
