Dear Mr. Fowler: *U*

Thank you for your letter on behalf of the District Education Council for the Anglophone South School District (ASD-South) dated April 15, 2019.

I am grateful for your timely submission of the lists of ASD-South's prioritized capital improvement projects 2020-21 and major capital construction projects 2019 and beyond. Receiving this will assist the Department of Education and Early Childhood Development (EECD) staff as they work with your district personnel to effectively plan and manage the EECD capital budget submissions.

The Director of the Educational Facilities and Pupil Transportation branch, Mr. Thomas Weber, and staff, will be in contact with your staff as the Capital Program for 2020-21 is developed.

Again, thank you for your timely submissions.

Sincerely,

*Dominic*
