Dear Ms. Sullivan:

On behalf of the District Education Council I would like to take this opportunity to congratulate you on being named one of Canada's Outstanding Principals. Also of significance is the fact that you are the one and only New Brunswick recipient!

This award is an acknowledgement of your dedication and hard work, not only in your school, but your community as well. Your work with families and students with needs, your focus on literacy with the K-2 project through our community partners, your work with PALS, and your involvement in the development of the Learning Commons at Glen Falls School are all perfect examples of why this recognition is so deserved.

Again, please accept our congratulations for a job well done!

Yours truly,
