Dear Mr. Fowler:

Thank you for your letter on behalf of the District Education Council (DEC) for the Anglophone South School District (ASD-S). I understand a motion was made and passed, at the April 14, 2021 DEC meeting, to declare the Morna Heights School and property surplus to the needs of ASD-S.

The Department of Transportation and Infrastructure (DTI) will be advised that the property is surplus to the requirements of the Department of Education and Early Childhood Development (EECD).

Your continued efforts in managing your infrastructure portfolio are greatly appreciated.

Sincerely,

Dominic Cardy
