Roger Nesbitt, Chair
DEC – ASD-S
490 Woodward Ave.
Saint John, NB E2K 5N3

Dear Roger;

I am writing to notify you that I am resigning from my position on the DEC for sub-district 7 for ASD-S. This resignation is effective immediately. With the short time that I was on the DEC it just was a challenge to make meetings and I felt as a representative that my energy needs to be directed at other things that I'm more involved with than being a DEC member. Also with the recent changes that seem to be coming down from above are out of my control and I feel that I must move on to my next chapter.

It was great to have been apart of this short term of mine and I wish all of the best to you and the other members going forward for Education.

All the best.

David Connell
