

To: Mr. Roger Nesbitt, Mr. Derek O'Brien, and DEC members,

It is with regret that I am submitting my resignation as DEC member for Anglophone South Sub-District 2 effective the end of December 2022. I have been offered and accepted the opportunity to instruct in NBCC's Adult Education Instructor Development Program. The courses are evening courses which would conflict with my ability to attend and be involved with PSSC and DEC meetings.

It has been a pleasure to serve as the DEC representative for ASDS sub district 2 and wish everyone all the best as you move forward into the New Year.

Regards,

Shelly Merrill-MacKillop
