Dear Minister Kenny:

RE: ASD-S District Education Council Motion re Policy 409

As a follow up to the Anglophone South School District Education Council Meeting of January 10, 2018, please be advised that the following motion was approved by Council:

“...that we intend to conduct a Sustainability Study of Hazen White/St. Francis School and Centennial School with construction of a new K-5 school in a central location to both as phase two of a multi-phase process.”

This will allow us under the Department’s Policy 409 - *Multi Year School Infrastructure Planning* - to begin the public consultation process to gather community and stakeholder input to the recommendation.

This is for your information. If further details are required, please let us know.

Yours truly,
