Dear Parents of Centennial School:

As you are aware, the District Education Council is hosting a series of public meetings for parents regarding the sustainability of your school. The first meeting was held in February, 2018 and the second meeting was held on Monday of this week, at Centennial School.

We would like to offer an additional opportunity for any parents who would like to meet with the District Education Council and District staff to share their views on the sustainability study. This meeting will be held on Wednesday, March 28th at 10:30 am at the Nick Nicolle Centre.

We look forward to seeing you there.

Yours truly,
