Dear Families,

As the 2018-2019 school year comes to an end plans are underway for the 2019-2020 school year. During this school year we had a large number of families who did not pay for school supplies. In order to ensure all students come to school with the supplies needed we are offering families three choices. Please take a few minutes to decide which one you would like for your child. Detach the form and return it to your child's teacher by Wednesday, June 12th, 2019.

All families who choose to pay the school supply fee (\$45) will be required to do so by the end of September. Families who choose to purchase their own supplies will be given a supply list with your child's report card in June. School supplies can be brought to school the night of Meet the Teacher, August 29th OR the first day of school, September 3rd. If you would like to view the supply list for your child they will be posted to our website by the end of this week.

If you have any questions please feel free to contact the school.

Option A: I would like to have the school purchase my child's school supplies (\$45).

Option B: I would like to purchase my child's schools supplies for September 3rd.

Option C: I would like to make alternative arrangements with my child's school by June 14th, 2019.
